Chinese Dialectics From Yijing To Marxism:

Chinese Dialectics Chenshan Tian, 2005-01-01 The history of Chinese Marxist thought is intimately intertwined with ancient autochthonous philosophical texts In Chinese Dialectics the complete intellectual history of Chinese Marxism is laid bare

The Politics and Philosophy of Chinese Power R. James Ferguson, Rosita Dellios, 2016-12-12 This book provides a timely analysis of the politics philosophy and history of Chinese power focusing on social strategic and diplomatic trends that have shaped China for over three thousand years Chinese elites have used the past to inform the present but have also mobilized new ideas to address the country's rapid transition to global power China's intellectual world can draw on a surprisingly pluralist legacy When Chinese thinkers assess power they bring to bear their classical legacy the military classics Chinese socialism and Western political thought There are also a number of intriguing formulations that give shape to the exercise of Chinese power Among these are comprehensive national strength stability preservation soft power asymmetric conflict and counter intervention strategies This book looks at key periods in Chinese history when attitudes to power evolved and at their current expressions These include China's expanded use of think tanks to chart the future efforts at creating an eco civilization to balance growth and an extended set of security and information capabilities From observing the centrality of power in today's international affairs the book moves to the foundational concepts of Chinese governance its belief in a strategic configuration of power as understood in military contexts as well as its growing diplomatic and maritime engagement abroad This analysis culminates in new ideas of functional multipolarity Power is also deployed internally China's use of nationalism as a major tool for state building and cohesion the ongoing role of socialism and the People's Liberation Army are all examined in this light China's current strategic culture has shaped President Xi Jinping's search for a new model of power for China in the twenty first century an endeavor that will have serious implications for the future global order This book provides an alternative perspective on China's trajectory towards a revised international system

China in Search of a Harmonious Society Sujian Guo, Baogang Guo, 2008-01-01 This edited volume examines the new concept of building harmonious society proposed by the Chinese leadership under Hu Jintao its important implications for the future of Chinese political development and some major issues and questions in China's academic and public debate on the search for a harmonious society

The Horizon of Modernity Ady Van den Stock, 2016-06-10 The Horizon of Modernity provides an extensive account of New Confucian philosophy that cuts through the boundaries between history and thought This study explores Mou Zongsan's and Tang Junyi's critical confrontation with Marxism and Communism in relation to their engagement with Western thinkers such as Kant and Hegel The author analyzes central conceptual aporias in the works of Mou Tang as well as Xiong Shili in the context of the revival of Confucianism in contemporary China and the emergence of the discipline of philosophy in twentieth century Chinese intellectual history This book casts new light on the nexus between the categories of subjectivity and social structure and the relation between philosophy modern temporality and the structural

conditions of the modern world **Fathoming the Cosmos and Ordering the World** Richard Joseph Smith, 2008 This is a study of the development of the Yijing in China from the earliest times to the present Drawing on recent scholarship in both Western and Asian languages the author offers a fresh perspective on almost every aspect of Yijing theory and practice

The Philosophical Influences of Mao Zedong Robert Elliott Allinson, 2019-09-19 This philosophical Mao is a fresh portrait of the mind of the ruler who changed the face of China in the twentieth century The book traces the influences of both traditional Chinese and traditional pre Marxist Western philosophy on the early Mao and how these influences guided the development of his thought It reveals evidence of the creative dimensions of Mao s thinking and how he wove the yin yang pattern of change depicted in the Yijing the Chinese Book of Changes into the Marxist dialectic to bring ancient Chinese philosophy to mark changes in twentieth century thought Mao s lifetime philosophical journey includes his interpretations of and comments on both Chinese and Western philosophers His deep metaphysical reflections uncanny prognostications and pensive speculations from his early pre Marxist period to his later philosophical years prove to be as startling as they are thought provoking China Review International ,2006 **Journal of Asian History** ,2005 **Chinese Studies in**

Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Chinese Dialectics From Yijing To Marxism : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Chinese Dialectics From Yijing To Marxism : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
