Chinese Language Learning For Foreigners:

Chinese Language Learning for Foreigners Yang Tiange, 1993-01-01 **Chinese Language Education in the United States** Jiening Ruan, Jie Zhang, Cynthia B. Leung, 2015-11-10 This book offers historical philosophical and sociocultural perspectives on Chinese language education for speakers of other languages with a special focus on Chinese language education in the United States It provides a comprehensive cross disciplinary look at changes in CFL CSL education over time in China and the U S and the philosophical political and sociocultural influences that led to these changes The essays address a wide array of topics related to Chinese language education including A historical overview of the field Theories that apply to CFL CSL learning Policies and initiatives for CFL CSL by the Chinese and U S governments Medium of instruction Curriculum and instruction for CFL CSL learners at K 12 and college levels Technology for CFL CSL education Chinese language learning for heritage learners CFL in study abroad contexts CFL teacher education and training This work is essential reading for scholars and students interested in gaining a greater understanding of Chinese language education in the two countries and around the world Teaching and Learning Chinese as a Second or Foreign Language Ko-Yin Sung, 2019-10-23 Teaching and Learning Chinese as a Second or Foreign Language edited by Ko Yin Sung addresses three emerging themes in the field of Chinese language teaching and learning 1 Increasingly ubiquitous in all language learning and teaching and for the learning of Chinese as a second language in particular information and communication technology ICT can serve as an important and effective tool Several chapters focus on how certain emerging ICT tools are applied in teaching and learning Chinese as a second language 2 Due to China s economic and political influence the number of students of all ages studying Chinese as a second language but especially young learners has increased in many parts of the world Despite this the research into teaching Chinese to young learners has lagged behind Several chapters investigate young learners motivations and effective methods for assisting them to master the Chinese language 3 The writing system of the Chinese language poses many challenges for learners especially those more familiar with alphabetical languages In light of this difficulty in learning Chinese characters some of the chapters identify effective teaching and learning strategies to master the Chinese language **Teaching and Learning Chinese as a Foreign or Second Language: The Educational Psychology Perspective** Yang Frank Gong, Chun Lai, Jinghe Han, Chan Lu, Sihui Echo Ke, 2024-02-21 Over the past two decades Chinese as a foreign or second language CFL CSL has been increasingly taught and learnt as an important language both within and outside China Studies in the field have attempted to address deep seated tensions between existing educational ideologies concepts strategies and approaches and student learning process and performance and between existent teaching methods and techniques and the globalization of Chinese language education *Teaching and Learning Chinese as a Second or Foreign Language* Ko-Yin Sung, 2019-10-23 Teaching and Learning Chinese as a Second or Foreign Language edited by Ko Yin Sung addresses three emerging themes in the field of Chinese language teaching and learning 1

Increasingly ubiquitous in all language learning and teaching and for the learning of Chinese as a second language in particular information and communication technology ICT can serve as an important and effective tool Several chapters focus on how certain emerging ICT tools are applied in teaching and learning Chinese as a second language 2 Due to China's economic and political influence the number of students of all ages studying Chinese as a second language but especially young learners has increased in many parts of the world Despite this the research into teaching Chinese to young learners has lagged behind Several chapters investigate young learners' motivations and effective methods for assisting them to master the Chinese language 3 The writing system of the Chinese language poses many challenges for learners especially those more familiar with alphabetical languages In light of this difficulty in learning Chinese characters some of the chapters identify effective teaching and learning strategies to master the Chinese language Chinese Language Learning for Foreigners, 1994 Frontiers of L2 Chinese Language Education Yanyin Zhang, Xiaoping Gao, 2021-09-30 Over the past four decades learning Chinese as a second language has transformed from individual small scale endeavors to organized mass studies worldwide In a fast changing world the field of L2 Chinese language education is confronted by unprecedented challenges and opportunities This book presents recent pedagogical practices innovations and research in L2 Chinese language education across five continents Bringing together a diverse range of leading researchers and educators it showcases the latest knowledge teaching led research innovative curriculum design and pedagogical practice in a variety of instructional contexts Through a mix of overview chapters empirical studies and critical discussions the book addresses four key themes formal instruction language education technology curriculum development and critical overviews and reflects the latest challenges and coping strategies for teaching and learning Chinese in an increasingly digital world It will be essential reading for researchers teachers and students of Chinese as a second language as well as curriculum developers and textbook writers 王德纯等, 1993-01-01 13 40 1578 *Learning English and Chinese as Foreign Languages* Wen-Chuan Lin, 2019-09-19 Learning English and Chinese is becoming increasingly important to the prospects of young people This book compares English as a Foreign Language teaching in Taiwan with Chinese as a Foreign Language education in England in order to highlight how classroom activities are embedded within multiple settings including ethnic or other social group cultures family and community resources and school visions or goals The book illustrates how in Taiwan different ethnic groups recognise access and value English language learning to varying extents Its findings illuminate why some ethnic groups are highly motivated to learn English and are able to gain privileged economic positions in the job market In England access to Chinese is marked by social class and the book argues that this could augment an educational apartheid that already exists in language teaching in secondary schools thereby exacerbating existing inequality Learn Chinese Jenna Swan, 2016-03-11 As one of the most unique and the most widely spoken languages in the world Chinese is gaining popularity at tremendous speed Around 1.2 billion people 16% of the world's population speak Chinese the language which is also called

Mandarin Hanyu or Putonghua Speaking from the foreigner's perspective believe us when we say that the first conversation you manage with a Chinese person will be an amazing feeling The language is not simple let's be honest Yet the book you are reading right now includes all the basic knowledge the beginner must know and is aimed at helping you on the journey of studying Chinese It may not be evident at first but a better understanding of Mandarin will ensure that you have more time exploring and enjoying the best that the country has to offer tourist attractions arts and entertainment activities and the local cuisine to name a few But what if you are due to travel anytime soon Is it still possible to master at least the basics of the Chinese language if you're given only a few days to do so Fortunately it is possible and this book will help you do just that This book features easy to understand guides on how the language can best be used in situations including but not limited to the following Greeting other people and introducing yourself specifically the proper way of doing so Getting around and exploring e.g. asking for directions telling the time Ordering food at restaurants Shopping And more And the best part is with the help of this book you will learn to master all that and more in just 7 days

Learning Chinese Patricia Duff, Tim Anderson, Roma Illyckyj, Ella VanGaya, Rachel Wang, Elliott Yates, 2013-03-01 The acquisition of Mandarin Chinese one of the most important and widely spoken languages in the world today is the focus of this innovative study It describes the rise of Chinese as a global language and the many challenges and opportunities associated with learning it The collaborative multiple case study and cross case analysis is presented from three distinct but complementary theoretical and analytic perspectives linguistic sociocultural and narrative The book reveals fascinating dimensions of Chinese language learning based on vivid first person accounts with autobiographical narratives included in the book of adults negotiating not only their own and others language and literacy learning but also their identities communities and trajectories as users of Chinese
