Chinese Porcelain Of The 19th And 20th Centuries:

Chinese Porcelain of the 19th and 20th Centuries H. A. van Oort, 1977 After the favourable reception of *The Porcelain of Hung hsien* it soon became apparent that a follow up was needed in order to broaden the scope of the subject and cover the 19th and 20th centuries Since most readers are unacquainted with the porcelain of this period it seemed essential to provide a large number of photographs to corroborate my arguments They have been taken mainly of lesser known pieces in private collections many of their owners preferring to remain anonymous since it often appears that the possibilities of theft and tax evoke similar feelings among collectors Preface
