Chip Off The Bloc:

Dark Places and Little Tramps Juri Nummelin, 2025-05-15 *Dark Places and Little Tramps* collects Juri Nummelin's writings on noir, hardboiled sleaze and other literary genres of yesteryear. The author has written extensively about genre fiction and popular culture for more than four decades but this new volume is the first publication of his writings in English. Among many other subjects it features a lengthy section on neo noir and writers like Gillian Flynn, Allan Guthrie, Jason Starr and Duane Swierczynski. He also investigates British spy and crime fiction and includes chapters on western and horror. Nummelin shines new light on many of these areas such as the largely forgotten topic of sleaze paperbacks. **Life Is Too Short For Long Stories** Vondell Prince, 2004-12 Vondell Prince's collection of short stories expresses her vivid imagination of true and fictional characters using humor to its fullest. Her first work *Life Is Too Short For Long Stories* is a light-hearted tale of sex, love and life. *Lots of Humor* is a hilarious view of clippings from life. Good reading for the heart, the soul and laughing out loud. *Mullgillcutty Sisters* captures the essence of delightful scenarios of three sisters shopping around for the perfect man. *Clotilda* tiptoes into a romance that quickly turns into a sad love song while *Wilmeda* experiences the thrill of her life and *Lou Ann* seductively tells her man that she hopes he is wearing black draws for their tryst. *In Replaced by two C Batteries* Grace tells Tom that what she has will whiten his teeth and freshen his breath. *Never Underestimate a Woman with Plans* immerses the reader in the exploits of that infamous couple after having been expelled from Eden and their special son. *A chip off the old ass kicking block* Discover in *Life Is Too Short For Long Stories* is a light-hearted tale of sex, love, life and lots of humor, reflections of the lighter side of life. The Nation, 1923. **Buildings and Building Management**, 1922. Vols for 1933-42 include an annual directory number for 1959, an annual roster of realtors. *The Right Word* Elizabeth Morrison, 2012. The quality of your written English is your passport to both academic and career success. Whether you're a native speaker or learning English as a second language, it's very easy to get confused and make mistakes. This book is your essential guide to mastering the subtleties and becoming an expert communicator. Divided into three sections, *The Right Word* first examines homophones—those tricky words that sound the same but are spelled differently. Entries are organized alphabetically with meanings and examples, including colloquial ones, being given to facilitate correct use. The book then looks at words that often confuse: childish vs. childlike, incredible vs. incredulous, for example, before providing a list of the most commonly misspelled words. Keep this book by your desk as a ready reference providing instant access to superb English. *Entrepreneurship, Growth, and Public Policy* Zoltan J. Acs, David B. Audretsch, Robert J.
