## **Chips And Pop Decoding The Nexus Generation:**

**Chips & Pop** Robert Barnard,Dave Cosgrave,Jennifer M. Welsh,1998 By definition this generation those born between the early sixties and late seventies has no hard edges It is a generation based on formative experiences and pivotal events rather than specific birthdates and cohort size Essentially you are a Nexus if you first felt the effects of the computer chip and global media at some point during your formative years This means you could have encountered a PC for the first time in university or mastered Pong the first video game at the age of seven You could be Nexus if you watched live CNN coverage of the Gulf War at high school saw the space shuttle Challenger blow up in high school or were the first kid in your neighbourhood with cable TV and a remote control p 17 18 Chips and Pop Robert Barnard,Dave Cosgrave,Jennifer

Welsh,2000-04 **Generational Career Shifts** Eddy S. Ng,Sean T. Lyons,Linda Schweitzer,2018-02-28 Offering an overview of existing research and drawing upon the authors own study of approximately 3 000 students and knowledge workers this book documents how careers have fundamentally shifted over the past five decades and offers crucial insights into what these shifts mean for employers and their management strategies The Radiant Hour Neil Campbell,2000 Taking the title from an American studies course at the University of Derby scholars and writers there and in North America enter the debate over the meanings of youth representation in American culture emphasizing the ideological nature of youth and its centrality to a complex reading of popular culture The eight essays examine issues of gender race and sexuality as central to the construction of youth identity and to the other significant relationships between youth and authority Distributed in the US by David Brown Book Company c Book News Inc The Palgrave Handbook of Age Diversity and Work Emma Parry,Jean McCarthy,2016-11-26 This Handbook incorporates a variety of disciplines and approaches in order to provide a comprehensive and authoritative examination of the issues that result from increasing age diversity at work Despite interest in this area exploding over the past few years amongst academics practitioners and policy makers the analysis of age diversity has remained primarily within disciplinary silos such as Psychology or Sociology with a focus on ageing or generational differences rather than a combination of approaches to understanding age diversity Unique in its coverage of multiple perspectives it considers not only generational and ageing perspectives to age diversity but also highlights the importance of context in driving both the impact and response to this issue The Palgrave Handbook of Age Diversity and Work includes contributions from leading scholars in age and generational diversity from across the world discussing cutting edge research findings about the nature and impact of age diversity and presenting approaches to managing this phenomenon Generational Diversity at Work Emma Parry,2014-05-09 Over the past decade much attention has been paid to the apparent differences in consumption preferences or workplace attitudes and behaviours across generations Within Western economies such as the USA UK and Australia it is commonly assumed that there are now four generations in the workplace namely Veterans born 1925 1942 Baby Boomers 1943 1960 Generation X 1961 1981 and

Generation Y 1982 2000 The concept of generational differences at work is one that has recently been adopted by practitioners as a basis on which to design human resource management and career management practices However there has been some concern in academic circles about the validity of the notion of generations and the evidence base that supports it There is therefore a need for new perspectives and methodological approaches to investigating generational differences at work in order to establish the validity and value of generations as an axis of diversity *Generational Diversity at Work* New Research Perspectives will address this need by presenting and discussing research into generational diversity that adopts a range of new theoretical perspectives or methodological approaches This book is designed as a first step in addressing the need to critically examine the theoretical and empirical basis for generational differences and to provide some new empirical data in this area

*American Youth Cultures* Neil Campbell, 2004 Ten essays by British US and Canadian academics explore popular books films and television shows for clues to the meanings of youth representation in American culture Drawing on a framework of ideas from cultural and social theory they consider themes such as race class gender power and sexuality as well as the ideological nature of youth and its centrality to American popular culture Originally published in 2000 as *The Radiant Hour Versions of Youth in American Culture* U of Exeter Press Annotation 2004 Book News Inc Portland OR booknews com
