Chocolate Thunder The Uncensored Life And Time Of Darryl Dawkins:

Chocolate Thunder Charley Rosen,Darryl Dawkins,2005 Chocolate Thunder is a tell all account of life in the NBA during the 1970s and 80s Dawkins the first player to go directly from high school to the NBA received instant fame when he became the first player to smash a backboard His book is full of spicy anecdotes ribald humor and frank discussions of sex drugs and racism

Moses Malone Paul Knepper,2025-11 Moses Malone overcame abject poverty in segregated Petersburg Virginia to become the first modern day basketball player to jump directly from high school to the pros paving a path for future stars such as Kobe Bryant Kevin Garnett and LeBron James to follow Moses Malone The Life of a Basketball Prophet tells the story of Malone's ascent in the early 1970s to becoming the premier player in the world for a five year period The young Malone prophesied his improbable rise and succeeded where others later failed because of his strength of character and unparalleled work ethic Malone dominated his years in the NBA with a relentless determination that made him the greatest offensive rebounder in basketball history a record he holds to this day From 1979 to 1983 he won three of the NBA's Most Valuable Player awards and with Julius Erving helped to deliver the Philadelphia 76ers to the NBA championship in 1983 He remains one of just nine players to win the NBA MVP award three or more times In many ways Malone was an anti superstar He lacked a signature move displayed almost no ego and shunned the spotlight to the detriment of his commercial appeal Shy by nature and self conscious about a speech impediment Moses kept his distance from the media some of whom mistook his reticence for stupidity A man of few words he possessed a magnetism rooted in humility authenticity and passion Moses was a giver equally generous in assisting a friend as he was mentoring younger players including Charles Barkley and Hakeem Olajuwon While his contemporaries preened for the cameras Moses remained the lunch pail superstar a quiet and humble teammate who expressed himself through his tireless effort on the court and compassion off it

Black Ball Theresa Runstedtler,2023-03-07 A vital narrative history of 1970s pro basketball and the Black players who shaped the NBA Against a backdrop of ongoing resistance to racial desegregation and strident calls for Black Power the NBA in the 1970s embodied the nation's imagined descent into disorder A new generation of Black players entered the league then among them Kareem Abdul Jabbar and Spencer Haywood and the press and public were quick to blame this cohort for the supposed decline of pro basketball citing drugs violence and greed Basketball became a symbol for post civil rights America the rules had changed allowing more Black people onto the playing field and now they were ruining everything Enter Black Ball a gripping history and corrective in which scholar Theresa Runstedtler expertly rewrites basketball's Dark Ages Weaving together a deep knowledge of the game with incisive social analysis Dr Runstedtler argues that this much maligned period was pivotal to the rise of the modern day NBA Black players introduced an improvisational style derived from the playground courts of their neighborhoods They also challenged the team owners autocratic power garnering higher salaries and increased agency Their skills style and savvy laid the foundation for the global popularity and
