Choice Of Bridges Verse:

Choices, Changes, Chapter and Verse Kathryn Grant, 2023-11-23 Join a journey that embraces some of life's towering challenges head on. This book's approach links verbal choices with motivating changes in self and/or environment. Additionally, collaborative chapter and verse selections from scripture and beautiful nature scenes compliment and complete each section. A three-way press to examine personal growth. Every chapter combines these tools but the your specific choices and changes make for a unique and individualized journey. As you interconnect options you designate new and positive pathways which encourages you to maintain a healthier lifestyle mentally, emotionally, sometimes physically but above all spiritually. *The Works of the Rev. My thoughts continually are geared towards my next song. Sometimes I get a few lines in my head when I am driving and I have to pull over the car and write them down. No matter where I am I get the urge to write. I could be talking to a neighbor or be in the middle of mass at church and a word or phrase will pop into my head and whoa a new song is born. More than anything I love love love the peace of mind songwriting allows me to have. Most of my lyrics take me 15 to 30 minutes to write. There was a time when I was writing 6-8 lyrics in a day. Sometimes I would sit there and stare at my pencil asking why did you stop. I swear at times the pencil kept moving like I wasn't even thinking of what to write. This is my first edition. I hope to continue with future editions as I am still writing new songs everyday. Someday I hope to put my lyrics to my own music and I recently started taking piano lessons. Hey we all know life is a learning process a learning curve we need to experience the turns with the ride. I wish you all success with this book and look forward to seeing some of you with me when it comes to award times. **School Documents [of The] Boston Public Schools** Boston (Mass.).
