Choosing Life Or Death

Choosing Life Or Death:

Choose Life Or Death Vol 1 - the Narrow Path Riaan Engelbrecht, 2019-05-20 Our entire spiritual journey along with our free will boils down to either choosing to walk with Jesus LIFE or choosing the way of the world DEATH In God there is life and life in abundance Not just eternal life but life in spirit in soul and in body Yet there is a real difference between knowing of Him and knowing Him In Him we abide in life and walk in such life but this calls for obedience to His Truth to His Way and to His Kingdom From a true relationship with the Lord not religion flows life and the blessings of such divine life Deuteronomy 30 outlines the Offer of Life or Death In the Old Testament life and death translated into blessings and curses for the Israel nation Under the Law of Moses the Lord presented to His people a very simple choice follow God and live or disobey God and die Take note of verse 15 See I set before you today life and prosperity death and destruction Under the New Covenant we are either going to follow God and live in abundance spirit soul and body or we are going to choose to allow ourselves to suffer the touch of death The Life and Death series of five volumes explores in depth how to walk in God s divine life how to guard over such life and to avoid the pitfalls of death that manifests in so many ways not just physical The Life and Death series is a volume of work stretching over many years guided by the Holy Spirit in order for the disciples of the Lord to understand we can walk in life yet this calls for remaining true to the Word to His Will to His Ways and His Kingdom Be blessed on this journey and know that God desires us to walk in life but we need to choose Either life or death

Decisions Christal Gardner, 2003-10-01 Why do some Christians prosper while others do not Why can God s power be seen in some lives and not in others Are God s promises only to a few No The answer lies in the decisions we make Some Christians are blessed by making the hard decisions to be obedient to God while others make decisions contrary to His will thereby nullifying the great power that is available to them This book teaches us how to live victorious lives merely by the choices we make I have set before you life and death blessings and curses Now choose life Deut 30 19 *Choose Life Or Death Vol IV - the Strategic Battle* Riaan Engelbrecht, 2019-05-21 Our entire spiritual journey along with our free will boils down to either choosing to walk with Jesus LIFE or choosing the way of the world DEATH In God there is life and life in abundance Not just eternal life but life in spirit in soul and in body Yet there is a real difference between knowing of Him and knowing Him In Him we abide in life and walk in such life but this calls for obedience to His Truth to His Way and to His Kingdom From a true relationship with the Lord not religion flows life and the blessings of such divine life Deuteronomy 30 outlines the Offer of Life or Death In the Old Testament life and death translated into blessings and curses for the Israel nation Under the Law of Moses the Lord presented to His people a very simple choice follow God and live or disobey God and die Take note of verse 15 See I set before you today life and prosperity death and destruction Under the New Covenant we are either going to follow God and live in abundance spirit soul and body or we are going to choose to allow ourselves to suffer the touch of death The Life and Death series of five volumes explores in depth how to walk in God s divine life how to

guard over such life and to avoid the pitfalls of death that manifests in so many ways not just physical The Life and Death series is a volume of work stretching over many years guided by the Holy Spirit in order for the disciples of the Lord to understand we can walk in life yet this calls for remaining true to the Word to His Will to His Ways and His Kingdom Be blessed on this journey and know that God desires us to walk in life but we need to choose Either life or death *Choose Life Or Death Vol III - Guarding the Gates* Riaan Engelbrecht,2019-05-21 Our entire spiritual journey along with our free will boils down to either choosing to walk with Jesus LIFE or choosing the way of the world DEATH In God there is life and life in abundance Not just eternal life but life in spirit in soul and in body Yet there is a real difference between knowing of Him and knowing Him In Him we abide in life and walk in such life but this calls for obedience to His Truth to His Way and to His Kingdom From a true relationship with the Lord not religion flows life and the blessings of such divine life Deuteronomy 30 outlines the Offer of Life or Death In the Old Testament life and death translated into blessings and curses for the Israel nation Under the Law of Moses the Lord presented to His people a very simple choice follow God and live or disobey God and die Take note of verse 15 See I set before you today life and prosperity death and destruction Under the New Covenant we are either going to follow God and live in abundance spirit soul and body or we are going to choose to allow ourselves to suffer the touch of death The Life and Death series of five volumes explores in depth how to walk in God's divine life how to guard over such life and to avoid the pitfalls of death that manifests in so many ways not just physical The Life and Death series is a volume of work stretching over many years guided by the Holy Spirit in order for the disciples of the Lord to understand we can walk in life yet this calls for remaining true to the Word to His Will to His Ways and His Kingdom Be blessed on this journey and know that God desires us to walk in life but we need to choose Either life or death *Choose Life Or Death Vol V - the Trusted Way to Tread* Riaan Engelbrecht,2019-05-21 Our entire spiritual journey along with our free will boils down to either choosing to walk with Jesus LIFE or choosing the way of the world DEATH In God there is life and life in abundance Not just eternal life but life in spirit in soul and in body Yet there is a real difference between knowing of Him and knowing Him In Him we abide in life and walk in such life but this calls for obedience to His Truth to His Way and to His Kingdom From a true relationship with the Lord not religion flows life and the blessings of such divine life Deuteronomy 30 outlines the Offer of Life or Death In the Old Testament life and death translated into blessings and curses for the Israel nation Under the Law of Moses the Lord presented to His people a very simple choice follow God and live or disobey God and die Take note of verse 15 See I set before you today life and prosperity death and destruction Under the New Covenant we are either going to follow God and live in abundance spirit soul and body or we are going to choose to allow ourselves to suffer the touch of death The Life and Death series of five volumes explores in depth how to walk in God's divine life how to guard over such life and to avoid the pitfalls of death that manifests in so many ways not just physical The Life and Death series is a volume of work stretching over many years guided by the Holy Spirit in order for the disciples of the Lord to

understand we can walk in life yet this calls for remaining true to the Word to His Will to His Ways and His Kingdom Be blessed on this journey and know that God desires us to walk in life but we need to choose Either life or death **Choose Life Or Death Vol II - Pitfalls and Dangers** Riaan Engelbrecht,2019-05-21 Our entire spiritual journey along with our free will boils down to either choosing to walk with Jesus LIFE or choosing the way of the world DEATH In God there is life and life in abundance Not just eternal life but life in spirit in soul and in body Yet there is a real difference between knowing of Him and knowing Him In Him we abide in life and walk in such life but this calls for obedience to His Truth to His Way and to His Kingdom From a true relationship with the Lord not religion flows life and the blessings of such divine life Deuteronomy 30 outlines the Offer of Life or Death In the Old Testament life and death translated into blessings and curses for the Israel nation Under the Law of Moses the Lord presented to His people a very simple choice follow God and live or disobey God and die Take note of verse 15 See I set before you today life and prosperity death and destruction Under the New Covenant we are either going to follow God and live in abundance spirit soul and body or we are going to choose to allow ourselves to suffer the touch of death The Life and Death series of five volumes explores in depth how to walk in God s divine life how to guard over such life and to avoid the pitfalls of death that manifests in so many ways not just physical The Life and Death series is a volume of work stretching over many years guided by the Holy Spirit in order for the disciples of the Lord to understand we can walk in life yet this calls for remaining true to the Word to His Will to His Ways and His Kingdom Be blessed on this journey and know that God desires us to walk in life but we need to choose Either life or death **A CLOSER LOOK AT LIFE AND DEATH SECOND EDITION BOOK I VOLUME I (BOOK SERIES)** Tracy Jones,2025-06-24 A CLOSER LOOK AT LIFE AND DEATH SECOND EDITION BOOK I VOLUME I In this edition Tracy Jones delves deeper into the profound mysteries of our Eternal Existence from a NON RELIGIOUS perspective because life and death occur regardless of religious affiliation or lack thereof Jones seamlessly weaves together Science Creation and the Technology that brings Bible Prophecy into our reality BACK COVER God who is an Eternal Spirit created our universal presence in Heaven as Eternal Spirit Life Energy in His likeness Our same Spirit which now resides within our body is the only thing that is eternal everything else perishes the body material things and the spheres Therefore if we were living an infinite Life in Heaven with the Lord how did we transition to living a finite Life on Earth captive to certain death We desire our lives to last forever Truth is We each individually betrayed God sinned rebelled and therefore you and I were cast out of Heaven along with Lucifer whereby the Force of Gravity holds us away from God s Holy Presence We now live in the darkness of the abyss and this darkness is real close your eyes what do you see The darkness that we still are The evidence of your betrayal and rebellious behavior is your undeniable Natural Death which is to come For the wages of sin is death Rom 6 23 in Heaven and on Earth As a result you see death happening all around you and you know that in the back of your mind you could be next Therefore we were sinners long before Adam and Eve were created hence the reason that we are born sinners And the

reason for planting the two trees in the Garden of Eden as well as the writing of the names of the redeemed in the Book of Life Follow this chronological journey through our Eternal History as we examine how death fits into the mystery of our eternal life Discover the cause intent and consequences of the only two death sentences and penalties that God has ever issued to His Creation We will evaluate Science Man Made Theories and Technology alongside Creation which reveals God s Divine Redemption Plan to save us from the Second Death Rev 20 14 with Heaven Hell Earth Satan Jesus all of us the Angels Death and Time each having a role to play Time was designed to take us from the beginning of God s redemption plan to the end yet Time is personal because upon your demise it is said that your time is up and you are buried but Time marches on according to God s purpose alone You will come to realize that God is NOT to blame for all the ills in the world for His objective is to redeem us through Jesus Christ so that we will avoid The Second Death based on freedom of CHOICE between eternal life and eternal death that is before us with each breath I have set before you life and death Deut 30 19 God s plan allows for the summation of our life s choices and decisions to make our eternal choice for us This is why death is designed as a surprise element and not a planned event you cannot plan your choice you must live your choice This book series will explore how God repurposed the Earth for our redemption the design details End Time Prophecy DNA Manipulation and the current biomedically engineered plagues COVID etc or Death Tests that are before us And will reveal the elite s purpose for UFOs and Computer Technology that allows them to communicate and receive knowledge from the darkness of the unseen realm or as they call them Aliens as a result of our Tree selection in the Garden And to our surprise we do surely die Gen 2 17 You are awaiting your turn to die like me right We are living near the close of God s redemption plan The End Times Therefore the goal is to aid you in determining if what you believe is fact or fiction before your certain date with death so that you can make an informed decision about your life death and eternal future **The Choice** P J Soloman

Sanderson,2024-12-10 Growing up in a Christian home and community I had so many questions When someone dies for example a young mother and leaves her children behind in some cases without a father we would often say God puts her to rest In my youthful mind I found myself asking How could a loving God do such a terrible thing It became rather clear that most of us Christians do not realize that as in all relationships time must be spent getting to know and understand the one with whom we endeavor to have that relationship and therefore spend the time getting to know and understand the God in whom we wish to relate When we do we will not see Him as cruel and demanding We would not see Him as one who takes life but rather gives it It gives me real joy and excitement to tell everyone I possibly can of a beautiful and loving God whose only desire is to save us to give life not death Someone else is responsible for all the evils of this world certainly not my God Jesus plainly told His disciples that He did not come to destroy men s life but to save them Luke 9 54 56 Do you know that God has a problem Yes He does God s biggest problem is saving those He loves In order to save us He must first destroy sin However because His children are infected with this disease if He destroys sin He would be destroying His children also Do

you see God's problem In order to save us He must first separate us from sin The big question is Are we willing to allow Him Most of us want to be saved but we are not willing to be separated from sin Our loving God has given us the choice All we need to do is make the right choice choose Him He will do the rest That choice is recorded in the book of Deuteronomy 30 15 19 He says See I have set before thee this day life and good death and evil I call heaven and earth to record this day against you that I have set before you life and death blessing and cursing therefore choose life that both thou and thy seed may live The power of choice is in our hands It is left to us to make it **Choosing Life Or Death** William J. Winslade, Judith Wilson Ross, 1986 Describes the legal ethical financial medical and emotional aspects of decisions involving the critically ill and discusses living wills kidney dialysis handicapped newborns organ transplants and genetic screening Are You STILL on the Fence of Decision? Dee Songer, 2013-04-25 Are you STILL on the Fence of Decision CHOOSE LIFE Deuteronomy 30 15 20 Picture it you are just about to take the biggest step you've ever taken in your life The step that will either lead you to the best place you've ever been or the worst place you could have ever visited in your darkest nightmares Hanging in the balance is this object called MY FUTURE Which way do you go What do you choose What is stronger Your mind which is where the devil wages his war against you Or your heart where the Holy Spirit resides if you have claimed Christ as your Lord and Savior Standing on this fence where the two points of decision meet is the same as sitting in your car while the motor idles in park As the motor idles it burns up the fuel but without going anywhere You only have so much time so much fuel You cannot idle in park your whole life So what do you choose HOW do you choose Making no decision is still a choice but it IS a choice to give up and go nowhere do nothing You are standing on the fence of decision In Deuteronomy 30 15 20 God tells us Today I set before you life and death CHOOSE LIFE YOU CHOOSE The choice IS yours to make but let's not forget you and you alone will be responsible for the choices you make Will God help you Will He understand Will He forgive you Let's find out In spite of everything I'm still here after making SO many bad choices Take a walk with me and we'll find out together

Choosing Life... Or Death John DeJak, Richard Aleman, Deacon Dan Gannon, Stephen J. Heaney, Karen Pautler, Matt Yonke, Human Life Alliance, 2014-10-28 discussion of end of life issues **Judaism, Antisemitism, and Holocaust** David Patterson, 2022-03-31 In this book David Patterson offers original insights into the dynamics that underlie the phenomenon of endemic antisemitism arguing that in all its manifestations antisemitism is fundamentally anti Judaism Structured in a unique matrix of chapters that are linked historically and theoretically his book elucidates the interconnections that tie antisemitism with the Holocaust as well as the Judaism that the Nazis sought to obliterate from the world As Patterson demonstrates this is an ongoing effort and is the basis of today's antisemitism Spelling out the historical theological and philosophical viewpoints that led to the Holocaust and that are with us even now he offers insights into the basis of the hatred of Jews that permeates much of today's world Patterson here addresses the big questions that define our humanity His volume is written for those who wish to have a deeper understanding of both the history and the current manifestations of Antisemitism

 ,1994 99752 **The Presbyterian** ,1905 *Open Wounds* David Patterson,2012-03-15 In this book David Patterson sets
 out to describe why Jews must live but especially think in a way that is distinctly Jewish For Patterson the primary
 responsibility of post Holocaust Jewish thought is to avoid thinking in the same categories that led to the attempted
 extermination of the Jewish people The Nazis he says were not anti Semitic because they were racists they were racists
 because they were anti Semitic and their anti Semitism was furthered by a Western ontological tradition that made God
 irrelevant by placing the thinking ego at the center of being If the Jewish people in their particularity are chosen to attest to
 the universal chosenness of every human being then each human being is singled out to assume an absolute responsibility to
 and for all human beings And that Patterson says is why the anti Semite hates the Jew because the very presence of the Jew
 robs him of his ego and serves as a constant reminder that we are all forever in debt and that redemption is always yet to be
 Thus the Nazis before they killed Jewish bodies were compelled to murder Jewish souls through the degradations of the
 Shoah But why is the need for a revitalized Jewish thought so urgent today It is not only because modern Jewish thought
 hoping to accommodate itself to rational idealism is thereby obliged to put itself in league with postmodernists who preach
 tolerance for everything except biblically based religion beginning with Judaism and who effectively call on Jews as fellow
 citizens of the global village to disappear It is also because without the Jewish reality of Jerusalem there is only the Jewish
 abstraction of Auschwitz for in Auschwitz the Jews were murdered not as husbands and wives parents and children but as
 efficiently numbered units If the Jews Patterson claims are not a people set apart by a Voice that is other than human then
 the Holocaust can never be understood as evil rather than simply immoral With *Open Wounds* Patterson aims to make
 possible a religious response to the Holocaust Post Holocaust Jewish thinking confronting the work of healing the world of
 tikkun haolam must recover not just Jewish tradition but also the category of the holy in human beings thinking about
 humanity The Homiletic quarterly [afterw.] magazine Homiletic magazine,1880 **A Church History** Christopher
