

# CHOOSING OUR CHOICES

## DEBATING THE PRESIDENTIAL NOMINATING PROCESS

ROBERT E. DICLERICO AND JAMES W. DAVIS  
FOREWORD BY MARC LANDY

# Choosing Our Choices Debating The Presidential Nominating Process

**Kenny J. Whitby**

## **Choosing Our Choices Debating The Presidential Nominating Process:**

Reforming the Presidential Nomination Process Steven S. Smith, Melanie J. Springer, 2009-11-01 The 2008 U S presidential campaign has provided a lifetime's worth of surprises. Once again, however, the nomination process highlighted the importance of organization, political prowess, timing, and money. And once again, it raised many hackles. The Democratic contest, in particular, generated many complaints: for example, it started too early, it was too long, and Super Tuesday was overloaded. This timely book synthesizes new analysis by premier political scientists into a cohesive look at the presidential nomination process, the ways in which it is broken, and how it might be fixed. The contributors to Reforming the Presidential Nomination Process address different facets of the selection process, starting with a brief history of how we got to this point. They analyze the importance and perceived unfairness of the earliest primaries and discuss what led to record turnouts in 2008. What roles do media coverage and public endorsements play? William Mayer explains the superdelegate phenomenon and the controversy surrounding it. James Gibson and Melanie Springer evaluate public perceptions of the current process as well as possible reforms. Larry Sabato's A More Perfect Constitution calls for a new nomination system installed via constitutional amendment, while Tom Mann of Brookings opines on calls for reform that arose in 2008. Daniel Lowenstein examines the process by which reforms may be adopted or blocked.

Strategic Decision-Making in Presidential Nominations Kenny J. Whitby, 2013-12-23 What is the dominant force in presidential nomination campaigns? Are nomination outcomes decided largely by the political party or by the candidates and their activities? In Strategic Decision Making in Presidential Nominations, Kenny J. Whitby aims to provide some answers to these important questions, focusing on the closely contested 2008 race between Senators Hillary Clinton and Barack Obama. It was this race that spotlighted the role played by superdelegates, the unpledged party elites who were added to the nomination process in the 1980s. Whitby's central argument is that superdelegates are strategic actors, and their endorsements are a response to a variety of demographic, institutional, and campaign factors. While some weigh in early with an endorsement, many adopt a wait-and-see approach. Using a novel framework generally known as survival analysis, Whitby provides us with a method for understanding when and why party elites decide to chime in on their presidential nomination campaign.

**Choosing Our Choices** Robert E. DiClerico, James W. Davis, 2000-04-26 Probably no feature of the American political system has been subject to more sustained criticism over the last twenty-five years than the process by which we choose our presidents. In Choosing Our Choices, Robert E. DiClerico and James W. Davis debate the question: should we retain the present primary-centered direct democracy method in selecting presidential candidates, or should we return to a representative decision-making process to nominate our candidates? This timely and thought-provoking text offers the reader a concise yet comprehensive analysis of the presidential nominating system, arguments for and against the current system, and supplemental documents and essays for further reading. Choosing Our Choices will be an invaluable resource for students and scholars interested in exploring how

Americans choose their leaders      *Changing Party Coalitions* Jerry F. Hough, 2006 Exploring the causes of the unnatural red state blue state dichotomy in America Hough a professor of comparative politics ponders the likely effects of the next economic crisis and what it will take to create new party coalitions      The Front-Loading Problem in Presidential Nominations William G. Mayer, Andrew E. Busch, 2003-11-18 The race for the White House may seem like a marathon but the nomination process is becoming a sprint with the starting gun fired earlier each time Where state primaries and caucuses were once spread out over a period of three or four months most are now crammed into a four or five week interval at the very beginning of the delegate selection calendar The compression and hastening of the nomination season are changing the nature of the presidential selection process the most visible pillar of American democracy Despite the importance of this issue in American politics however too little systematic analysis has been done on the topic This is the first book to offer a comprehensive examination of the front loading problem in all its facets William Mayer and Andrew Busch define the parameters of the front loading question as well as its impact They trace the history that shaped the current system and explain why it is such a critical element of presidential elections Most important the authors present a detailed analysis of all the major proposals for coping with front loading and of the political and constitutional obstacles for reform While they conclude that there is no easy solution to this complex issue they identify a general direction for reform efforts They also feel that the political parties should be the prime movers in formulating and implementing changes      *Voting in America* Robert E. DiClerico, 2004-05-25 A thorough examination of the people forces and events that have shaped the right opportunity and value of the vote in America from 1715 to the present Despite the successful struggles of women blacks soldiers and other minorities to secure suffrage voter turnout in America is among the lowest in westernized countries *Voting in America* A Reference Handbook surveys the history of voting examining how it has evolved since Colonial times This book focuses on how various legal constitutional and social barriers such as the Voter Accessibility for the Elderly and Handicapped Act the Motor Voter Act and the 23rd Amendment have impacted the right to vote It also focuses on what controversies such as the two party monopoly and financial influence still remain The only book to consider the rise in voting opportunities for Americans also explores factors affecting the value of the vote such as redistricting term limits and low voter turnout

Choosing Our Choices Robert E. DiClerico, James W. Davis, 2000 Probably no feature of the American political system has been subject to more sustained criticism over the last twenty five years than the process by which we choose our presidents In *Choosing Our Choices* Robert E DiClerico and James W Davis debate the question should we retain the present primary centered direct democracy method in selecting presidential candidates or should we return to a representative decision making process to nominate our candidates This timely and thought provoking text offers the reader a concise yet comprehensive analysis of the presidential nominating system arguments for and against the current system and supplemental documents and essays for further reading *Choosing Our Choices* will be an invaluable resource for students

and scholars interested in exploring how Americans choose their leaders      **The Making of the Presidential Candidates**  
**2004** William G. Mayer, 2004 Annotation This is the third in a series of books about the United States presidential nomination process and shares the same goals as its predecessors and Mayer political science Northeastern U presents nine papers exploring significant components of the nomination process including financing incumbency polling and the role of organized labor The only non academic contributing to the proceedings is an editor who provides a discussion of the role of the press  
Annotation 2004 Book News Inc Portland OR booknews com      **Guide to U.S. Elections SET** CQ Press, 2005-11-17

Guide to Political Campaigns in America Paul S. Herrnson, 2005-08-20 In this reference designed for scholastic reference which should also be used by media fact checkers on those busy election nights contributors to these 27 chapters describe how political campaigns work in the US how they are financed who gets to vote and when what campaign staffers do to influence voters and wrangle candidates and how specific types of campaigns differ from one another in execution and intent Topics include laws and regulations about campaigns the players and parties involved polling and research preparing for debates getting out the hopefully sympathetic vote and the probable future of current efforts toward campaign reform Each article includes its own references just in case that election night turns out to be not quite as busy as previously thought  
Annotation 2005 Book News Inc Portland OR booknews com      *Presidential Elections 1789-2004* CQ Press, 2005-12-07 From George Washington's unanimous election to the presidency in 1789 to George W Bush's reelection in 2004 this book combines detailed factual information on and analysis of more than 200 years of presidential contents      National Party Conventions, 1831-2000, 2001 This edition of National Party Conventions covers the complete history of U S nominating conventions offering summaries of all major political party conventions from 1831 to 2000 The chronological format allows readers to trace historical developments in the convention form Important excerpts from party platforms key convention ballots for presidential nominees and significant convention votes on rules and delegate disputes are provided      **National Party Conventions, 1831-2004**, 2005-12-07 The presidential nominating convention has been a mainstay of American politics since the early nineteenth century Although the major functions of the convention formally nominating the presidential and vice presidential candidates constructing party platforms and throwing gigantic political rallies remain largely unchanged today conventions have evolved in the modern era into carefully choreographed televised events aimed to market the party's ticket and programs This new edition of National Party Conventions covers the complete history of U S nominating conventions offering summaries of all major political party conventions from 1831 to 2004 The chronological format allows readers to trace historical developments in the convention form Important excerpts from party platforms key convention ballots for presidential nominees and significant convention votes on rules and delegate disputes are provided National Party Conventions also examines other facets of the national presidential nominating process touching on the preconvention nominating procedure from 1789 to 1928 the decisive role of presidential primaries in the modern era the

delegate selection process party convention rules and the expanded role of the media An appendix focuses on American political parties including brief histories of U S parties and concise biographies of major presidential and vice presidential candidates from 1789 to 2004 A bibliography for further reading and a comprehensive index complete the book To provide readers with definitive congressional and presidential election results CQ Press publishes two series America Votes and America at the Polls edited by Rhodes Cook Elections A to Z second edition by John L Moore is an accessible encyclopedic guide to the U S electoral process The sum of this historical data and analysis is included in the Guide to U S Elections fifth edition and online in the CQ Voting and Elections Collection Book jacket      **Presidential Elections, 1789-2000**

Congressional Quarterly, inc,2002 This reference surveys all presidential elections and terms and contains a biographical directory of presidential and vice presidential candidates The book opens with an overview of the presidential election system then provides a detailed chronology of each election context from Washington to Bush incorporating a discussion of primary contests General election results for all major candidates since 1824 are given in tables showing vote totals and percentages A final section examines the electoral college Historical b w photos and drawings are included      *From the Primaries to the Polls* Thomas Gangale,2008 As the campaign proceeds over ten two week intervals of primaries and caucuses on a semi randomized schedule the aggregate value of contested states will become successively larger requiring the expenditure of larger amounts of money A more gradual weeding out process will occur allowing a clear winner to emerge only after the full spectrum of candidates has been in play nationally From the Primaries to the Polls recounts the story of how support for the American Plan has spread through a network of grassroots activists to party leaders and state election officials This book is required reading for political scientists and political activists and for that growing segment of the general public that is interested in electoral reform It is a message of hope showing how a few persevering people with a good idea can change America for the better BOOK JACKET      **Fair and Effective Representation?** Mark E. Rush,Richard L.

Engstrom,2001-04-04 Two experts on political representation voting rights and the election process debate the most pertinent issues of electoral reform and assess them in the context of the Founders vision of representation and minority rights Mark E Rush and Richard L Engstrom discuss the promises and pitfalls of electoral reform specifically the merits of converting from the traditional single member district to some form of proportional representation The authors examine the shortcomings of the existing methods of elections such as gerrymandering low turnout voter apathy and underrepresentation of minorities and women debate the merits of converting to proportional representation ask whether it would address the imperfections of the current system and investigate the extent to which proportional representation adheres to the Founders particularly Madison s plan for representation With an introduction by esteemed political scientist Bruce E Cain this is an essential text for courses in voting rights and behavior elections and American political thought      **Debating the**

**Presidency** Robert P. Watson,David A. Freeman,2005      **Dictionary of American History: Native to pyramid** ,2003

**Strategic Selection** Christine L. Nemacheck, 2007 In this book Christine Nemacheck makes use of presidential papers to reconstruct the politics of nominee selection from Herbert Hoover's appointment of Charles Evan Hughes in 1930 through President George W. Bush's nomination of Samuel Alito in 2005. By revealing the pattern of strategic action Nemacheck takes us a long way toward understanding this critically important part of the American political system. The Council of State Debates (official Report)..., 1925

### **Choosing Our Choices Debating The Presidential Nominating Process Introduction**

In today's digital age, the availability of Choosing Our Choices Debating The Presidential Nominating Process books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Choosing Our Choices Debating The Presidential Nominating Process books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Choosing Our Choices Debating The Presidential Nominating Process books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Choosing Our Choices Debating The Presidential Nominating Process versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Choosing Our Choices Debating The Presidential Nominating Process books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Choosing Our Choices Debating The Presidential Nominating Process books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Choosing Our Choices Debating The Presidential Nominating Process books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Choosing Our Choices Debating The Presidential Nominating Process books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Choosing Our Choices Debating The Presidential Nominating Process books and manuals for download and embark on your journey of knowledge?

### **FAQs About Choosing Our Choices Debating The Presidential Nominating Process Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Choosing Our Choices Debating The Presidential Nominating Process is one of the best book in our library for free trial. We provide copy of Choosing Our Choices Debating The Presidential Nominating Process in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Choosing Our Choices Debating The Presidential Nominating Process. Where to download Choosing Our Choices Debating The Presidential Nominating Process online for free? Are you looking for Choosing Our Choices Debating The Presidential Nominating Process PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these

available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Choosing Our Choices Debating The Presidential Nominating Process. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Choosing Our Choices Debating The Presidential Nominating Process are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Choosing Our Choices Debating The Presidential Nominating Process. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Choosing Our Choices Debating The Presidential Nominating Process To get started finding Choosing Our Choices Debating The Presidential Nominating Process, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Choosing Our Choices Debating The Presidential Nominating Process So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Choosing Our Choices Debating The Presidential Nominating Process. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Choosing Our Choices Debating The Presidential Nominating Process, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Choosing Our Choices Debating The Presidential Nominating Process is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Choosing Our Choices Debating The Presidential Nominating Process is universally compatible with any devices to read.
