Chopper 2 How To Shoot Friends And Influence People:

One Thing Led to Another Mark Read, 2010-10-01 Never get too close to anyone because you might have to kill them Meet Mark Chopper Read You think you know him His books have sold hundreds of thousands of copies in Australia He s been the subject of an internationally successful film His one man shows have toured Australia to sell out crowds He s the most recognisable criminal brand name in Australia But the truth is you don t know him at all Toe cutter Blowtorch aficionado Killer Husband Father Children s author Stand up comedian The real Chopper has been an enigma until now that is This is the definitive Chopper story From his strange tortured childhood to the formative years as a young gang member and developing criminal to his decades in and out of prison in Victoria and Tasmania to his friends and enemies and his crimes and punishments this book gives us the true stories that lie behind the Chopper myths as well as the stories he s never revealed before

Carnage Mark Dapin, 2023-08-02 Millions have been entertained by the viral video of a man being arrested after a succulent Chinese meal But when Mark Dapin investigated it emerged that this man s story went to the heart of the Australian underworld A true crime cult classic in the making Whether you know it as the succulent Chinese meal video or democracy manifest chances are you have seen the video of baritone larrikin Jack Karlson getting arrested outside a Brisbane Chinese restaurant in 1991 The Guardian called it perhaps the pre eminent Australian meme of the last 10 years When Karlson called crime writer Mark Dapin out of the blue though Dapin hadn t heard of him But there was enough that intrigued him about this theatrical outlaw to continue the conversation Over the following months emerged a dark and complex past It turned out that Karlson had been in the background of many notorious incidents in late twentieth century Australian crime from collaborating with infamous prison playwright Jim McNeil to befriending hitman Christopher Dale Flannery Mr Rent a Kill But most shockingly of all Karlson s life story led Dapin to shed new light on a number of unsolved murders by two serial killers The result is an extraordinary deeply revealing portrait of Australian crime from the 60s to the 2010s a portrait of carnage Mark Dapin could never be accused of glorifying crime but he is guilty as sin for understanding it Inhabited by flawed humans filled with violence humour tears and dreams *Carnage* is a classic Australian crime story Gary Jubelin author of *I Catch Killers* True crime at its grim and richly entertaining best and let s face it its truest Robert Drewe author of *The Shark Net* If ever there was a book crammed with colourful villains who are mad bad and dangerous to know it s definitely Mark Dapin s extraordinary book *Carnage* Kate McClymont author of *He Who Must Be Obeid* *Carnage* is a window into Australian mayhem killingly funny and beautifully told Dapin finds pathos in a twisted world Matthew Spencer author of *Black River* *Carnage* begins by probing what seems a minor curiosity an internet meme centred on a colourful character then takes a turn into the lives of traumatised youths hurled without care or thought into brutalising reformatories From there they graduate to rorts robberies violence Bleak lives interspersed with occasional forays into squaresville spouses kids even jobs and attempts at betterment via theatre and literature A unique deeply felt take on the Australian underworld
