

Critical Comments on Paule Marshall's Books

The Chosen Place, the Timeless People

"The book is full of memorable scenes—especially the night at Sago's, the whole cast of characters, and all the scenes in which the people of Brownsville live, especially to those who are trying to improve or mislead them. They are about the timeless people, and nobody else has presented such a picture and impression."
—Malcolm Cowley

Brown Girl, Brown Women

"There is no comparable novel written with pride and anger, with rebellion and man. This is common and in evidence of the King's and 'Tales' English, it is the work of a highly gifted writer."
—New York Herald Tribune Book Review

"When Mrs. Marshall writes about those she truly loves, she cannot be moved. . . . She brings [to her characters] an instinctive understanding, a generosity, and a fine humor that combine to form a style remarkable for its courage, its calm, and its natural warmth."
—The New Yorker

"These people live and you go with them through their own and their present. It is a book with characters in it."
—Dorothy Parker, *Esquire*

"This novel is a fine, healthy one . . . an immense delight under the full control of one to whom the use of language seems as natural as breathing."
—John K. Hutchens, *New York Herald Tribune*

Soul Clay Hands and Song

"The two great gifts of vision, precise and compassionate, of solitary lives that are part of the rich, shifting backgrounds of culture, race, and time. The interpretation of these is really a measure of what one may write up to the best of us."
—Robt. Hoopes, *Naturday Review*

"Mrs. Marshall is a penetrating and skilful writer who creates a world as sharp as a mirror and with much of the same rigour. . . . She uses words beautifully, and for this one is profoundly grateful."
—Eugene Rediger, *The New York Times Book Review*

"Paule Marshall . . . has come through with a stellar performance which is something of a masterpiece in technique, feeling for real men, women and life."
—New York Herald Tribune Book Review

"A brilliant literary work in itself."

—*Religious Leader*

The Chosen Place, The Timeless People Paule Marshall, 1984-09-12 The chosen place is Bourneville a remote devastated part of a Caribbean island the timeless people are its inhabitants black poor inextricably linked to their past enslavement When the advance team for an ambitious American research project arrives the tense ambivalent relationships that evolve between natives and foreigners black and whites have and have nots keenly dramatize the vicissitudes of power An important and moving book Marshall is as wise as she is bold for in compromising neither her politics nor her understanding of people she makes better sense of both Village Voice **Chosen Place, the Timeless People** Paule Marshall, 1992

Black Subjects Arlene R. Keizer, 2004 Writers as diverse as Carolivia Herron Charles Johnson Paule Marshall Toni Morrison and Derek Walcott have addressed the history of slavery in their literary works In this groundbreaking new book Arlene R Keizer contends that these writers theorize the nature and formation of the black subject and engage established theories of subjectivity in their fiction and drama by using slave characters and the condition of slavery as focal points In this book Keizer examines theories derived from fictional works in light of more established theories of subject formation such as psychoanalysis Althusserian interpellation performance theory and theories about the formation of postmodern subjects under late capitalism Black Subjects shows how African American and Caribbean writers theories of identity formation which arise from the varieties of black experience re imagined in fiction force a reconsideration of the conceptual bases of established theories of subjectivity The striking connections Keizer draws between these two bodies of theory contribute significantly to African American and Caribbean Studies literary theory and critical race and ethnic studies *Places of Silence, Journeys of Freedom* Eugenia C. Boles, 2001-08-30 Beginning in the late 1960s women's studies scholars worked to introduce courses on the history literature and philosophies of women While these initial efforts were rather general women's studies programs have started to give increasing amounts of attention to the special concerns of women of color The topic itself is politically charged and there is growing awareness that the issues facing women of color are diverse and complex Expert contributors offer chapters on the major concerns facing women of color in the modern world particularly in the United States and Latin America Each chapter treats one or more groups of women who have been underrepresented in women's studies scholarship or have had their experiences misinterpreted including African Americans Latina Americans Asian Americans and Native Americans Women of Color includes chapters on theories related to race gender and identity One section provides discussions of literature by women of color including works by such authors as Toni Morrison and Maxine Hong Kingston The book also focuses on the place of women of color in higher education including chapters on women of color and the women's studies curriculum and the role of librarians in shaping women's studies programs
