## Christ And The Bible:

**Christ and the Bible, 4 lectures** Stanley Leathes, 1885      *Christ, Christianity and the Bible* Isaac Massey

Haldeman, 2022-08-10 In *Christ Christianity and the Bible* Isaac Massey Haldeman presents a robust theological exploration that intertwines evangelical principles with scholarly rigor. The book delves into the historical and doctrinal underpinnings of Christianity, examining the central figure of Christ and the foundational texts of the Bible. Haldeman's literary style is both accessible and engaging, employing a systematic approach that balances critical analysis with fervent faith. Set against the backdrop of early 20th-century religious thought, this work reflects the tensions between modernism and traditional beliefs prevalent during the period. Isaac Massey Haldeman, an influential minister and theologian, was deeply immersed in the evangelical community throughout his life, serving not only as a pastor but also as an educator and commentator on biblical texts. His firm belief in the inerrancy of Scripture and his commitment to fundamentalist principles were pivotal in shaping the arguments showcased in this book. Haldeman's experiences within diverse religious factions allowed him to articulate a coherent vision of Christianity that resonated with many seeking clarity in times of theological uncertainty. For scholars, clergymen, and lay readers alike, *Christ Christianity and the Bible* offers a compelling invitation to grapple with profound questions regarding faith, divine authority, and the essence of Christianity. Haldeman's thought-provoking insights will serve both as a foundation for further study and as a source of inspiration for those seeking to deepen their understanding of Christ's role within the Christian tradition.

**The Bible: Its Christ and Modernism** Thomas J. McCrossan, 1925      **Christ in Every Book of the Bible** Oral Roberts, 2023-12-28 In this classic book first published in 1965, Oral Roberts shares insights into who Jesus is by sharing how we can see Him in every book of the Bible, an encouraging reminder that He desires to be present in the lives of His people. And we can come to know who Jesus is: Savior, Deliverer, Healer, Restorer, Redeemer, Provider, Prince of Peace, and more in the pages of God's Word.

*The Four Crucial Elements of the Bible -- Christ, the Spirit, Life, and the Church* Witness Lee, The Bible has its kernel, its life, its center, which is constituted with the church, Christ, the Spirit, and life. These four items are the contents of the true substance of the Bible. The revelation of the Bible, particularly the New Testament, stresses these four matters: the church, Christ, the Spirit, and life. If we remove these four items from the New Testament, all that remains would merely be dead letters. These four crucial elements are also the four important items in the Lord's recovery today. Hence, we must all have a deep impression, a fresh light, and a renewed understanding concerning these four crucial elements.

*Christ from Beginning to End* Trent Hunter, Stephen Wellum, 2018-04-03 Fully grasp how every part of Scripture fits together to point to and reveal the glory of Christ Jesus. From beginning to end, the Bible reveals the glory of Jesus. But for many Bible readers, it doesn't seem that simple. We're often unsure how the Bible's many stories, characters, and events relate together and connect to Jesus. Some are tempted to force the pieces of the Bible together, making superficial jumps to Him. Others give up trying to understand the Bible altogether. *Christ from Beginning to End* is written to

help Christians understand just how the different stories and parts of Scripture fits together to reveal the glory of Christ Jesus In Part 1 Wellum and Hunter reintroduce us to the Bible what it is how it comes to us and what it s centrally about Then in Part 2 they walk from one side of the Bible s story to the other carefully tracing its storyline from Genesis to Revelation As readers see how our triune God s plan unfolds through his covenants they will be equipped for a lifetime of seeing Christ s glory in Scripture From this book you ll learn how to Read the Bible according to the three biblical contexts the immediate context the context of the unfolding story and the context of the whole story centered in Christ Recognize how different parts of the Bible connect together as part of a unified story Embrace the story of the Bible as our own to live this story out and to share this story with our neighbors and the nations You will also see the Bible s multi layered story and how it is held together by the one plan of God to glorify himself in salvation You ll come away with a greater awareness of our need as sinners of the triune God in all of his grace and of Jesus as the incarnate Son in all of his glory

Is Jesus Truly God? Greg Lanier,2020-07-07 The question of Jesus s divinity has been at the epicenter of theological discussion since the early church At the Council of Nicea in AD 325 the church fathers affirmed that Jesus the Son of God is true God from true God Today creeds such as this are professed in churches across the world and yet there remains confusion as to who Jesus is To some Jesus is a radical prophet nothing more than a footnote in history To others Jesus is the only Son of God fully God and fully man the author of history entering history Is Jesus Truly God is an accessible resource bridging the gap between the pulpit and the pew as it traces the rich roots of creedal Christology through the Scriptures strengthening the reader s understanding of Jesus as fully God and fully

man Christ in the Bible Albert B. Simpson, 189? **The Great Doctrines of the Bible. Section Two** William Evans, 1912 **A Forty-Day Study of the Biblical Story** Rick Jory, 2020-07-21 The Bible is not one book It is a compilation of sixty six books or writings And even though these were written by some forty different authors over a period of 1500 years there is an integrated message that runs throughout the Bible Unfortunately we often get our exposure to the Bible piecemeal For the church goer each week a small sliver of the biblical text is reviewed without a mechanism that puts all of these pieces into an integrated whole What we read or hear can seem disjointed How is the book of Leviticus connected to the book of Hebrews How is John s reason for writing his Gospel related to Psalm 2 How do we connect the covenant ceremony of Genesis 15 with the cross much less understand that ceremony to begin with Why is the book of Ruth included as part of the Bible What does it have to do with anything Or better yet why do we have the book of Esther where God is not mentioned at all What makes each of these important How are they related or are they In short how is God s story God s revelation unified That s where A Forty Day Study of the Biblical Story comes in It looks at how each of the elements of the Bible contribute to an integrated whole And the lens used to see Scripture in a unified way is Jesus Everything we look at is done in the context to how it relates to Jesus and how it contributes to the Bible s unified message We learn why an obscure Galilean carpenter has become the center of all of history *The Great Doctrines of the Bible* William Evans, 2020-04-09 The doctrines treated in this book are dealt with from the standpoint of Biblical rather than Dogmatic theology This is evident from the plan which is followed in the work namely to gather together all the Scripture passages dealing with the subject under consideration and from them choose a required number that may be called representative then seek to understand the meaning of these references by the study of the text itself as well as its context and parallel passages and finally from the selected proof texts formulate the doctrinal teaching and place such results under appropriate headings The doctrines of God Jesus Christ and the Holy Spirit are more fully dealt with than the doctrines which follow This is especially true of the doctrine of God The reason for this is to set forth the method pursued in these studies and to give a pattern for the study of the doctrines to follow William Evans *The Great Doctrines of the Bible* **Gospel-Centered Teaching** Trevin Wax, 2013-10-01 For small group leaders and Sunday school facilitators who prefer truth over technique Gospel Centered Teaching is refreshing in its simple purpose to remind you of something you already instinctively know It s Jesus who changes lives and the goal of your Bible study is to continually reintroduce people to Him While discussing in depth common related concerns missional apathy biblical illiteracy in the church shallow discussions etc author and teacher Trevin Wax duly offers a practical guide to making sure your message is always surely centered on Jesus and what He has done Fellow teachers let s soak ourselves in the truths of the gospel and the Word Then let s invite others to the fountain of living water offered freely by our Master Teacher whose life and death changes everything Jesus Thomas J Baber, 2020-01-28 Where do we go to learn how to read the Bible My answer is simple Jesus We have a record of the way Jesus approached viewed

interpreted and applied Scripture to His own life and to those around Him As a matter of first priority everyone who professes to follow Christ should read the scriptures the way He did There is something disarming about looking at the way Jesus approached Scripture Regardless of theological distinctives true Christians have two things in common First they want to be more like Christ Second they want to understand the Bible better These two commitments are enough for those wishing to improve their understanding of Scripture This book focuses on the way Jesus interpreted Scripture and was revealed through Scripture The ultimate goal of this book is for my readers to know the Christ of Scripture more intimately by using sound principles of biblical interpretation that come from Jesus Himself From the Introduction *The Case for Christ Bible Study Guide Revised Edition* Lee Strobel, Garry D.
