Christ Buddha And Christ Jesus Compared:

Christ Buddha and Christ Jesus Compared T. W. Doane, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **In Wisdom and in Passion** John Queripel, 2024-07-16 Two faiths of great influence making great claims of their founders How do such faiths enter into dialogue so necessary in our fractured world What do Buddha in deep meditation and Christ with a deep yearning for the justice of the reign of God say to each other and to us What commonalities and differences do they share as those in whose name new faiths were founded What caused the followers of each to believe their messages were such that they broke free of their old faith traditions How are the stories of each shaped by universal myths and what do they do with these myths in each account How has each faith spread around the world encountering very different cultures shaping and being shaped by them What did Buddha and Jesus teach and how have those teachings been understood What place do the Scriptures play in each How is the divine understood and by what method do we penetrate to the divine How are ethics and living understood in each faith These questions among others shape this book a wide ranging exploration of a challenging yet necessary interfaith dialogue **Christianity and Buddhism Compared** R. Hardy, 2023-04-17 Reprint of the original first published in 1874 **Comparative Study of the Bible Myths and their Parallels in other Religions** T. W. Doane, 2020-12-17 Comparative Study of the Bible Myths and their Parallels in other Religions is a study the Old and New Testament Myths and Miracles being compared to mythologies of other nations and religions of ancient times taking in considering their origin and meaning Comparing biblical myths to those of other nations of antiquity the author shows that many of the Bible tales mainly about Jesus and of other legends are often copied or borrowed from the myths of other religions The book gives a good history of how long the idea of the mythological nature of the Jesus in the New Testament has been noted **Bible Myths, and Their Parallels in Other Religions** Thomas William Doane, 1883 **Bible Myths and Their Parallels in Other Religions** Thomas William Doane, 2007-03-01 American author THOMAS WILLIAM DOANE 1852 1885 is considered one of the most significant contributors to the Freethought movement which held the view that belief should be based on the epistemology of scientific and logical laws rather than on faith In support of this philosophy Doane undertook extensive research delving into the parallels between Christianity and preexisting religions from around the world ultimately meaning to show the difference between eternal truths both spiritual and scientific and fable Here in a work first published in 1882 he takes a methodical stroll through each of the most popular Biblical myths from both the Old and New Testaments including the Flood the Exodus Samson the Star of Bethlehem baptism and the temptation of Christ By providing copious evidence of the preexistence of the morals and indeed associated details of each as well as thorough

bibliographic information the fruit of Doane's labor is a fascinating survey of world religions and a compelling critique of the originality of Christian dogma *A Broader Vision* Richard Henry Drummond, 1995 Reveals startling similarities in the lives and philosophies of Gautama the Buddha and Jesus the Christ Jesus, Buddha, Krishna, and Lao Tzu Hooper, Richard, 2012-05-01 Draws parallels between different religious faiths by presenting side by side comparisons of four leaders teachings on topics such as knowledge suffering death and liberation along with commentaries for each topic **From Buddha to Jesus** Steve Cioccolanti, 2020-03-23 A popular introduction to Buddhism showing how Christians can understand and effectively dialogue with Buddhists Buddhism is a rapidly rising religion in the West but few Westerners know Buddhism from the inside Having grown up with Buddhism and Christianity Steve Cioccolanti highlights the similarities and builds bridges of understanding between the two major religions His account is studded with stories parables and illuminating observations This book is remarkably easy to read and Steve is an engaging and original guide Discover Buddhism the way it's actually lived not the way it's been presented in textbooks or by Hollywood Now you can learn the 2 most popular religions in 1 book A groundbreaking book Steve has an unusual insight into the Buddhist mind I would use it for our Bible College students Dr Wayne Cordeiro Pastor of New Hope Christian Fellowship a 10 000 member church in Hawaii From Buddha to Jesus is a clear exposition of both Buddha's search for truth and the foundations of Buddhist culture It then gives an account of how the Good News of Jesus can fulfill Buddhist law and deliver people from the drive of endless perfectionism A totally thought provoking work Rod Plummer Senior Pastor of Jesus Lifehouse Tokyo Steve's book From Buddha to Jesus is the best tool that I have found to find a common platform with Buddhists Although the book is primarily focused on Thai Buddhism the principles in the book can be used with Buddhists in Japan and with Buddhists in other countries I highly recommend it Rev Daniel Kikawa President of Aloha Ke Akua Ministries Pastor of Hilo Missionary Church One of the books that I really read from cover to cover I bought 10 copies and distributed them to my friends I was once a Buddhist and this book really opened up my eyes It is a must read for all Buddhists Eastern religion followers or even Christians who are looking for a way to reach out to these groups of people Steve Cioccolanti was able to put things in the right manner and has written in a balanced and non offensive way This book rocks Daniel Hendrata TV Host Co Founder of Anugrah Ministries I have been a missionary in Thailand for 40 years I read your book and was very impressed I wish I would have had it sooner Dorothy H Thailand Your book is one of my treasured collection and I've been reading it again and again I love it so much It helps me to understand Buddha and Buddhism and draw bridges between the two faiths Keep up the good work and God bless Mish N Steve's gentle way of sharing his insight suits the Asian audience very well He has also broken some invalid preconceived ideas that Buddhists are closed to the Gospel Ching Wah Singapore My husband and I have been reading it and although I am a second generation missionary in Thailand my dad arrived in 1946 your book has brought new insight and clarified many things and is helping me/us immensely in relating to the Buddhists So Thank YOU and Thank GOD Marianna Erik Thailand

This book gave me confidence that I had a strategy Because we can start from a place of commonality instead of a place of I m right you re wrong This teaching releases people Tim P Thailand Anyone who comes in contact with Eastern religions should read Steve s book Col Stringer President of ICFM Australia Truly enlightening and informative A useful tool to reach not only Buddhists but many others confused by the plethora of religions Tom Inglis Founder of Psalmody A well written book with a clear and bold testimony Canon James Wong Anglican Churches Singapore **The Buddha's Gospel** Lindsay Falvey,2002 Described as unique and a great service to understanding this book is intended for three groups Western Buddhists that bulk of the West that have no religious affiliation yet know there is something more to life and Buddhists in Asia who follow the encounter of the dharma with the West It highlights the pervasive similarities in the teachings of Jesus and the Buddha as they were probably originally presented In its six chapters and appendix it compares the two great teachers the Buddha and Jesus briefly charts the process by which experts have produced words readily attributed to Jesus and presents a Buddhist imitation of these words based on the hypothetical Sayings of Jesus It then considers congruence between the Buddha s and Jesus teachings before offering both Buddhist and Christian interpretations An appendix re presents the Buddhist imitation of Jesus words as a continuous text Dr Falvey introduces his work Jesus speaking the Buddha s words exudes audacity and ignorance yet this work essentially wrote itself as a product of my socialization a modicum of Christian theological study and its explication through three decades of casual association with Thai Buddhism Differences between the two traditions such as Christianity relying on a God while Buddhism denies the existence of a God proved themselves facile upon consideration of the metaphorical intent of teachings of both traditions *Jesus & Buddha* Paul Knitter ,Roger Haight,2015-11-30 *Bible Myths* T. Buddhist and Christian Gospels Now First Compared from the Originals Albert Joseph Edmunds,1902 **Bible Myths and their Parallels in other Religions** T. W. Doane,2023-10-04 In *Bible Myths and their Parallels in Other Religions* T W Doane undertakes a compelling examination of the similarities between biblical narratives and those found in various world religions Utilizing a comparative mythological approach Doane meticulously highlights striking parallels that suggest a shared cultural foundation among diverse faiths encompassing themes of creation morality and the hero s journey His literary style is characterized by clarity and critical analysis navigating theological complexities with an accessible prose that encourages inquiry into the intersections of spirituality and mythology thereby situating the work firmly in the context of 19th century biblical criticism and religious studies T W Doane an influential figure in the realm of religious studies was known for his keen interest in the interplay between myth and religion His scholarly pursuits were shaped by the burgeoning fields of anthropology and comparative religion of his time Doane s background in the theological debates of his era equipped him with a unique lens through which he approached the biblical texts investigating how shared symbols and motifs reveal

deeper insights into the human experience of the divine This book is essential for anyone intrigued by the foundations of religious belief and the universality of myth Doane s analysis not only enriches our understanding of the Bible but also invites readers to reflect on the shared narratives that bind humanity across cultures Whether for academic study or personal exploration this work is a vital contribution to the field of comparative religion [Buddhists Talk About Jesus, Christians Talk About the Buddha](#) Rita M. Gross,Terry C. Muck,2000-02-01 What does Jesus mean to a Buddhist or the Buddha to a Christian What is it about the Buddha that is appealing to a Christian or unappealing In this volume 12 scholars six of them Christian and six of them Buddhists speak simply and from the heart about their personal relationship to the great religious leader from the other tradition The diversity of views within each tradition could be a shock to the average Buddhist or Christian on the street Buddhists argue about Buddha s nature Buddha veneration and the role the Buddha plays in human liberation Christians argue about Jesus human and divine status his uniqueness and the role he plays in human salvation The contributors celebrate the family likeness between Jesus and the Buddha but they also acknowledge the differences as well for it is at the points of difference that potentially there is the most opportunity for growth **Catholicism and Buddhism** Anthony E. Clark,2018-04-03 The recent tide of books comparing Christianity and Buddhism has centered mostly on similarities The Dalai Lama for example provided his opinions on Christianity in a popular book The Good Heart A Buddhist Perspective on the Teachings of Jesus 1996 Other writers have equally sought to describe these two traditions as two paths to the same place Finding these approaches overly simplified Anthony Clark confronts the distinctions between Buddhism and Catholic Christianity acknowledging areas of confluence but also discerning areas of abiding difference Clark provides here a Catholic view of Buddhism that avoids obfuscations seeking clarity for the sake of more productive dialogue **The Noble Eightfold Path of Christ** Thomas Ragland,2003 The ancient Theravada Buddhist canonical suttas the beloved Mahayana Buddhist sutras and the Tao Te Ching have been lovingly mined for concepts and realizations These ideas resonate with the heart of the teachings of Jesus the Nazarene as preserved in the Christian gospels Presented in the arrangement and context of Buddha s Noble Eightfold Path the truths presented are timeless and universal as a complete religion in themselves says the author The author describes the book as serving as the message of Jesus to the world in the context of Christian of Eastern thought and points out that it is not really a Christian work This is foremost a Buddhist writing devoted to the same Dharma that Buddha so loved and taught 2500 years ago It is presented through the teachings of the One who is called the Christ in the Western world Then again this is not really a Buddhist work as the linkage the author has made between the concepts of Christ and Buddha create a synthesis that transcends Christianity and Buddhism The heart of this Dharma cannot really be defined or confined by a system of thought It lives on the immediacy of the expression of those who take it to heart **Ancient Faiths and Modern: a Dissertation Upon Worships, Legends and Divinities in Central and Western Asia, Europe, and Elsewhere, Before the Christian Era.
