Christ For Us Sermons Of Hugh Martin:

Christ for Us Hugh Martin,1998 Previously unpublished sermons in which Martin 1822 85 traces all blessings to Jesus the Surety and Representative of his people who s Christ for us **Christ Victorious** Hugh Martin,2019-08-12 Death is often thought of as the inescapable terminus of life something which in the end overpowers and conquers us But in Christian theology the death of Christ has central significance for our salvation Christ died victoriously conquering death and triumphing over his and our enemies His death is our life This glorious truth occupied a large place in the thinking of Scottish theologian Hugh Martin 1822 85 Martin is best known for his mind stretching books such as *The Atonement* and *The Shadow of Calvary* and for his insightful character study of Simon Peter But there exists a significant corpus of largely forgotten shorter writings from his pen which major on the significance of the cross of Christ This volume brings together a number of Martin s sermons essays and letters many of which have not been published since the nineteenth century With Jesus Brian G. Hedges,2017-12-08 With Jesus takes us on a tour through Jesus life to show us how we can find our place in the story of Christ Christianity is not a only a faith founded on facts but also a deeply personal experience of God s transforming grace in Christ While our hope is rooted in history the events of Jesus life death resurrection and ascension the Scriptures also teach that every believer is included in these events From the manger to the cross from the empty tomb to his glorious throne Jesus acted for us And the mystery and wonder of the gospel is that we are crucified buried raised and seated with him The story of Jesus rewrites our stories *The Banner of Sovereign Grace Truth* ,2002 For Me to Live Is Christ Joel R. Beeke,2025-08-05 Since the time of the Reformation and especially during the era of the Puritans Christians have derived great benefit from reading edifying sermons Christians today would do well to imitate godly saints of the past by supplementing their devotional diet with preaching in print As Joel R Beeke says Though books of sermons do not tend to sell well today unlike in Puritan times when nearly all their books were repackaged sermons the reading of edifying sermons can still be a great blessing to God s children today This book presents thirty six choice sermons from a veteran preacher who has also spent his career training ministers to faithfully preach God s Word These sermons cover a wide range of texts from Genesis to Revelation and treat a host of pertinent topics Nevertheless one grand theme resounds from each of them Jesus Christ and how to live in Him by Him and out of Him Each is spiritually beneficial meant to help readers grow in spiritual maturation to the glory of the triune God Like Paul the goal of every faithful preacher is to proclaim nothing but Jesus Christ and Him crucified 1 Cor 2 2 This volume is evidence that Beeke s two favorite things in life are to know Christ and to preach Christ And as you read by the Spirit s grace your love for Christ will deepen so that you shout from the heart For me to live is Christ **Modern Scottish pulpit, sermons by ministers of various denominations** Scottish pulpit,1880 Dictionary of Scottish Church History & Theology Nigel M. de S. Cameron,1993 **The Christian Century** ,1924 **The Expository Times** James Hastings,Ann Wilson Hastings,Edward Hastings,1905 *American Book Publishing Record* ,1982-04 **The**

Literary World ,1889 **The Crusader** ,1927 **The Watchman-examiner** ,1929 The Living Church ,1953 The Expository Times ,1917 *Setting Words on Fire* Paul Scott Wilson,2010-10-01 In the second half of the twentieth century a profound shift took place in how we think about preaching We moved away from a vertical focus on the preacher who hands down the authoritative teaching to more relational narrative and conversational models Yet common to both of these understandings says Paul Scott Wilson is the idea that preaching is primarily about teaching that it mainly conveys information about God Important as this emphasis on preaching as teaching has been Wilson believes that the time for a new approach has arrived That new approach which he names preaching as proclamation has begun to arise from a variety of Euro American and African American sources Its primary aim is not to convey information but to engender an encounter with God s grace in Christ More than guiding people to say Yes now I understand it hopes to lead them to proclaim I am redeemed we are saved More than telling the gospel story it renders the gospel s claim on human lives leading to conviction of sin repentance and transformation Pulling together the disparate strands of this new homiletical school Wilson constructs a comprehensive introduction to preaching focusing on its character as proclamation of the sovereign grace of God The Christian Advocate ,1923 **Interpretation** ,1957 **Jesus is Lord** Donald Macleod,2000 Donald Macleod is able to explain complex thoughts with simplicity and clarity This is his contribution to the debate on Christology **The Ecumenical Review** ,1958
