Word of God After the Lord has spoken we respond in faith and prayer Jesus the Healer gives us words for our response in personal prayer Father Juan Sernas little book of Eucharist Inspired and other Meditations comes from the heart of his own prayer and personal reflections His prayers give words to those very real sentiments we experience when we try to touch but the tassel of Jesus cloak His sketches which accompany each section likewise speak profound thoughts of prayer The penetrating eyes of Jesus are like the two edged sword that pierces the depths of humanity Father Juans drawings are as much a prayer as the devotional words he writes His drawings and words are prayers we can use to find Jesus the Healer Bishop Stephen E Blaire     Jesus as Healer Jan-Olav Henriksen ,Karl Olav Sandnes ,2016 Healings and miracles play a prominent role in the New Testament accounts of Jesus life and ministry In the Western Christian tradition however Jesus works of healing tend to be downplayed and understood as little more than a demonstration of his divine power In this book Jan Olav Henriksen and Karl Olav Sandnes draw on both contemporary systematic theology and New Testament scholarship to challenge and investigate the reasons for that oversight They constructively consider what it can mean for Christian theology today to understand Jesus as a healer to embrace fully the embodied character of the Christian faith and to recognize the many ways in which God can still be seen to have a healing presence in the world     Jesus Christ the Healer Jim Harwell,2017-01-24 Jesus Christ is the Savior and Healer offering salvation and healing among His supernatural unsearchable riches Jesus is Lord and God the exact representation of God Almighty and together they offer complete healing in body soul and spirit God Almighty has always offered health and healing to His people to those who walk with follow and obey Him Jesus is the will of God in action offering salvation from sin and healing from sickness through His eternal work on the cross Learn about God s glorious plan of health and healing in Jesus Christ the Healer God s mercy plan and promises will fill your spirit with hope and faith and reveal that Jesus Christ is same yesterday today and forever     **Christ, the Healer** Fred Francis Bosworth,1948     *Jesus the Healer* ,1985-09 Retells the life of Jesus Christ as he teaches preaches and performs miracles     *Jesus Christ the Healer of My Life* Carol Verner,2006-04 Jesus Christ the Healer of my Life For with God nothing is impossible In this book Carol Verner shares with you her real life experiences with the Lord Jesus She has expressed very sincerely her personal views on many issues relating to religion and faith Her experiences are a living testimony and proof that God exists and still wants to do today what He did in the past and even greater things This book highlights that we people have changed but God has never changed and will not change If you need answers to any of the following questions and many more then this book is for you Do you have to be holy to receive a miracle What help are the words in the bible to me Are they true churches of God today Can I see the same miracles in my life as what is in the bible Can my unbelieving husband want to know my God Can I change and be a better person Can my unloving husband be transformed into a loving husband How do I use my faith and deal with all those voices in my head Is it really necessary to see the power of God in my life Can a barren woman or man be fruitful today with just the hand of God What should I read

Hinn,2021-09-28 How does healing fit into God s will especially when God doesn t heal Our hearts our bodies and our world are desperate for healing We all experience brokenness and we rightfully look to Jesus for restoration But many Christians have been taught the lie that God will heal us if our faith is strong enough and that he is punishing us when bad things happen Growing up in one of the world s leading faith healing dynasties Costi Hinn witnessed the tragedy of people chasing after healing more than the Healer In this book he provides biblical clarity to some of the most

challenging questions of the Christian faith Does grace guarantee healing How do we catch ourselves from slipping into the trap of seeking God for what he can do for us and not for who he really is Beginning with the vivid memory of the night he discovered his son s cancer diagnosis Costi unpacks the layered feelings and questions we have about God and his healing power and he provides practical principles for growing closer to Jesus With gentle clarity and biblical wisdom he explains how to Faithfully pray for healing while trusting in God s sovereignty Navigate tough conversations about the topics of divine healing love and justice Hold on to faith even in the most painful trials More than chasing after the Jesus we want this hopeful and encouraging book will guide you to discovering the Jesus we truly need and the true power and hope that comes from a genuine relationship with him
