**The Spirit of Christ** Andrew Murray, 2010-03-01 Andrew Murray's writings were a cherished and vital part of his ministry in Africa In this classic work Murray stresses the importance of one truth the Holy Spirit must be known by every believer as an indwelling life of spiritual power For Murray this indwelling is to be accepted and treasured until it becomes part of the consciousness of the believer As the Holy Spirit possesses us all of our lives even the least things must be surrendered to His leading If God's people can learn to wait on the Holy Spirit for divine leading and working placing ourselves entirely at His disposal there will be manifestations of the Spirit's power in the church such as the world has never known In *The Spirit of Christ* Murray covers all aspects of the Holy Spirit in the hope that God's glory will begin to work through His church in powerful ways that would be a witness for all the world In my observation of the lives of believers I have been very deeply impressed with one thought that our prayer for the mighty working of the Holy Spirit through us and around us can only be powerfully answered as His indwelling in every believer is more clearly acknowledged and lived out Andrew Murray

**Christ and the Spirit** Ralph Del Colle, 1994-01-06 This is a study of Spirit Christology a contemporary theological model of the relationship between Jesus Christ and the Holy Spirit Del Colle measures this christological model against trinitarian theology and tests its viability He investigates in particular the development of a Roman Catholic Spirit Christology which has arisen from within the modern neo-scholastic theological tradition Contrary to other interpreters Del Colle argues that an incarnational christology and a Spirit Christology are not conflicting but complementary and that this is recognized by the older and deeper tradition In conclusion he seeks to demonstrate the productivity of the Spirit Christological model in reference to three major areas of concern for contemporary systematic theology cultural pluralism and diversity emancipation and social praxis and inter-religious dialogue

**The Spirit with Our Spirit** Witness Lee, 2025-03-14 The revelation of the Spirit in the Bible points to God's desire to be received experienced and enjoyed by man The revelation of the human spirit in the Bible points to the unique means whereby man can know and experience God God is Spirit so that man can contact and receive Him and man has a human spirit in order to contact and contain God Through faith in Christ our human spirit is born of the Holy Spirit we are joined to the Lord as one spirit and the Spirit witnesses with our spirit that we are the children of God In *The Spirit with Our Spirit* Witness Lee presents a deep enlightening yet wonderfully practical view of the believer's experience of God in the New Testament By presenting a complete scriptural view of both the divine Spirit and the human spirit Lee shows that genuine spiritual experience is not a matter of outward behavior or conformity to a set of rules and regulations Rather genuine spirituality comes from knowing the Spirit who is with our human spirit God's desire to be received and enjoyed by His people can be realized only to the extent that we learn to walk according to the Spirit in our spirit *The Spirit with Our Spirit* is an invaluable guide in this learning process
