Why Church? Scott Cowdell,2024-09-03 An argument for the centrality of the Eucharistic church in an increasingly tribal world As Western culture has secularized the church has increasingly become marginalized and is seen as providing support and optional resources rather than indispensable to the Christian life In this volume theologian Scott Cowdell argues for a recovery of the church as the proper context for Christian faith life and mission In *Why Church* Cowdell considers how we have arrived at this moment examining how perceptions of the church have changed in response to increasing individualism and institutional failings Suggesting that the Eucharistic Church embodies Christ s desire to draw humankind to him Cowdell shows how the Christian life depends on Christian community Written with adult formation in mind and from a perspective of generous orthodoxy *Why Church* makes a provocative case for the centrality of the church to Christian life Discussion questions at the conclusion of each chapter offer provocative conversation starters for any adult education group **Luther League Review** ,1920 **The Incarnate Saviour** Sir William Robertson Nicoll,1897 Semi-annual Conference of the Church of Jesus Christ of Latter-Day Saints Church of Jesus Christ of Latter-Day Saints,1897
