

Christ On Trial

M. Brodrick

Christ On Trial:

The Illegal Trial of Jesus Earle L. Wingo, 2009 Who killed Jesus the Jews or the Romans Did you know that the Sanhedrin broke the Jewish law 18 times during the illegal trial of Jesus Attorney Earle Wingo approaches the crucifixion like a trial lawyer showing one after another the ways in which Jesus was illegally tried Wingo is a good writer with an emotional and persuasive style You would want him defending you in court This book was written many years ago and we have had a lot of requests for it since Jack Chick has made references to it in his books Now with illustrations by Jack Chick added we are releasing this revised edition to add fascinating detail to your study of the crucifixion of Jesus Christ It will give new understanding to your Bible study and provide you with fascinating details you can share with others if you are a teacher in your church You will learn Who the Jewish leaders were and why they knew exactly what they were doing How many Jewish laws were broken in order to entrap Jesus How Jesus was arrested without being charged That Jewish law forbade nighttime trials and one day trials Why the eventual charge of blasphemy wasn't enough to put Jesus to death How the charges against Jesus were changed to get the Romans to kill Him **THE TRIAL AND DEATH OF JESUS CHRIST** Edward D. Andrews, James Stalker, 2018-11-09 With solid scholarship and exceptional clarity beginning in Gethsemane Stalker and Andrews examine Jesus trial and crucifixion Their work is relevant beneficial and enjoyable because they cover this historical period of Jesus life in an easy to understand format Stalker's expressive and persuasive style provides a great resource to any Bible study of the events leading to the death of Jesus Christ **THE TRIAL AND DEATH OF JESUS CHRIST** is an academicish book written with a novelish style [The Trial and Death of Jesus Christ](#) James Stalker, 1897 [The Trial and Crucifixion of Jesus](#) David W. Chapman, Eckhard J. Schnabel, 2015 The authors of this volume set themselves one task to trace the extra biblical primary texts that are relevant for understanding Jesus trial and crucifixion With that goal in mind the book is built on three major themes 1 Jesus trial interrogation before the Sanhedrin 2 Jesus trial before Pontius Pilatus and 3 crucifixion as a method of execution in antiquity In chronologically sequential order where possible the authors select and arrange an overwhelming amount of extra biblical primary texts 462 to be exact underneath these three categories 75 46 and 341 texts respectively Brian J Wright in Religious Studies Review **Jesus on Trial** Gerard Stephen Sloyan, 2006-01-01 How did Jesus a much loved and highly respected Jewish teacher get sentenced to death as a criminal The questions of students and scholars about the actual circumstances legal situation and subsequent development of the Passion Narratives are here answered in Sloyan's second edition of this reliable resource first published by Fortress Press in 1973 This second edition includes additional text updated bibliography and notes and a new preface *Jesus on Trial* James Montgomery Boice, Philip Graham Ryken, 2009-01 Provides crucial details about the law in Jesus time and how it compares to our own legal system two respected pastors give careful attention to each stage of the judicial process Jesus endured As you hear the evidence and weigh the testimony against him you will find yourself drawn into the role of a juror You'll gain a deeper understanding of

Jesus and what it meant for him to claim that he was Christ the Son of the Blessed One And as you are riveted by the hows and whys of the jury findings you will develop a new perspective on how and why Christ died for you **The Trial of Jesus Christ** Alexander Taylor Innes,1905 **The Trial and Death of Jesus Christ a Devotional History of our Lord's Passion** James Stalker,2020-08-11 Reproduction of the original The Trial and Death of Jesus Christ a Devotional History of our Lord s Passion by James Stalker **The Trial of Jesus** James Chalmers McRuer,1964 The object of this book is to relate the written account of the trial of Jesus together with the relevant events which preceded it to the political and religious affairs of his time as well as to what we know about the legal procedures of his day The turbulent events of that period produced religious leaders with distorted minds just as similar events have done throughout history leaders who departed widely from the true concepts of their faith to use the offices they held to serve unworthy ends It may well be that those with whom we are concerned pursued their misguided course just as many Christians holding high ecclesiastical and civil offices have since done sincerely believing that the end was a righteous one and the means justified Preface **On the Trial of Jesus** Paul Winter,2010-11-05 After World War II Ernst Ludwig Ehrlich 1921 2007 published works in English and German by eminent Israeli scholars in this way introducing them to a wider audience in Europe and North America The series he founded for that purpose Studia Judaica continues to offer a platform for scholarly studies and editions that cover all eras in the history of the Jewish religion The Trial of Jesus of Nazareth Samuel George Frederick Brandon,1988 **The Trial and Crucifixion of Jesus Christ of Nazareth** M. Brodrick,1908 Truth on Trial Andrew T. Lincoln,2019-09-25 Religious truth has always been in dispute but there are certain times and places in which the debate has been more intense One such period was the first century C E when the rapid spread of Christianity with its claims about Jesus produced considerable ferment The Gospel of John written late in that century presents that dispute with greater clarity than any other document of the time John presents a Jesus who claims not only to tell the truth but also to be the truth And yet as the Roman magistrate asks Jesus in John s gospel what is truth Two millennia later in the Western world pluralism and postmodernism radically challenge traditional notions of truth Is there any truth beyond the formal logic of merely analytical propositions And if there is do humans have any way of knowing it Many who have a postmodern perspective deny that either rationality or imagination can give us access to the truth Instead they adopt a throughgoing incredulity toward metanarratives Truth is again on trial *Christ on Trial* Rowan Williams,2000 A POWERFUL AND MOVING MESSAGE 31687 The trial conviction and death of an innocent man 2000 years ago has particular resonance today Atrocities from around the world shake us every week And we ourselves also experience trials and challenges in our own lives Bringing the gospel accounts vividly to life Rowan Williams looks at how the trial of Christ profoundly challenges both what we believe and how we live Drawing not only from the Bible but also from contemporary fiction film and theatre he explores the ways society continues to put Christ on trial today In fact all Christians stand with him before a watching world How we respond to this challenge is the focus of

Christ on Trial It increases our confidence in the faith we have received and invites us to discover what we are and what we might be in God's sight

The Trial of Jesus Simon Légasse, 1997 Was Jesus trial primarily a Jewish affair or a Roman affair Does greater knowledge of Jewish and Roman law illuminate the proceedings Those who have never studied the issues raised here and those who have found previous studies daunting and confusing by their complexity will find a level headed and judicious guide

Trial of Christ David K. Breed, 2013-07-01 The great fact and the Eternal Fact in the life of Jesus was his death because of our sins upon the Cross This was the fact which St Paul declared he preached to the Corinthians first of all not that they were the first to hear it not that it merely came first in the enumeration of the great truths of the Gospel but that it was first in importance the Eternal Fact of Redemption The steps therefore by which Jesus was brought to the Cross are of great interest to Christian lawyers Here is a careful study from a lawyer's standpoint of the trial of Jesus

Trial of Christ in Seven Stages John Brayshaw Kaye, 1909

The Trial of Jesus Walter M. Chandler, 2020-12-17 The Trial of Jesus is a work of American lawyer Walter M Chandler in which he examines the Jewish trial of Jesus from a purely legal perspective In the first volume Chandler establishes the New Testament as an authentic source of information for his examination of the trial He provides a legal argument for the credibility of the gospel writers and examines the legal legitimacy of using their witness in understanding the events that occurred He examines in detail Hebrew criminal law and constructs a legal brief The second volume deals with the Roman trial

Jesus on Death Row Mark William Osler, 2009 What does the most infamous criminal proceeding in history the trial of Jesus of Nazareth have to tell us about capital punishment in the United States Jesus Christ was a prisoner on death row If that statement surprises you consider this fact of all the roles that Jesus played preacher teacher healer mentor friend none features as prominently in the gospels as this one a criminal indicted and convicted of a capital offense Now consider another fact the arrest trial and execution of Jesus bear remarkable similarities to the American criminal justice system especially in capital cases From the use of paid informants to the conflicting testimony of witnesses to the denial of clemency the elements in the story of Jesus trial mirror the most common components in capital cases today Finally consider a question How might we see capital punishment in this country differently if we realized that the system used to condemn the Son of God to death so closely resembles the system we use in capital cases today Should the experience of Jesus trial conviction and execution give us pause as we take similar steps to place individuals on death row today These are the questions posed by this surprising challenging and enlightening book

The Trial and Death of Jesus Christ James Stalker, 1903
