AI, How Can I Help? Aebe Strijker, 2025-08 AI doesn't have to be overwhelming and you don't need to be tech savvy to use it. This is a down to earth practical guide for anyone who wants to use artificial intelligence to help with real life without getting lost in hype or technical jargon. I wrote this book after discovering how much AI can actually help with everyday tasks and also where it can go wrong. This isn't about science fiction. It's about asking the right questions, solving the right problems and knowing when to stop and trust your own judgment. AI is a powerful assistant but only if you use it wisely. Whether you're writing a message, organizing your day, managing money, creating something fun or just trying to keep up with new technology, this book gives you the tools and confidence to use AI in simple and meaningful ways. Inside you'll learn how to: Write better letters, emails and messages even in other languages. Organize your life, create checklists and stay on top of tasks. Manage money smarter and make clearer decisions. Create beautiful images, edit photos or even make short videos. Use voice AI and translation tools to connect across languages. Stay safe and protect your privacy online. Explore new hobbies, plan trips, learn new skills and more. Unlike other AI books that overpromise and overwhelm, this guide is friendly, focused and realistic. I'll show you what works, what doesn't and how to use AI to improve your day step by step without pressure. You don't need a tech background. You don't need to feel behind. If you've ever wanted to finally understand AI and use it to help with everyday life, this guide was made for you.
