Instagram Secrets Alexander Vinci,2021-09-04 Do you want to know how Instagram really works and what mindset you must have to succeed in this platform If you just starting reading through this guide and are thinking that your business isn t an eCommerce business and so Instagram isn t the place for you think again Remember the key proposition that Instagram brings is visualization Consider these examples 1 You re a real estate agent and want to highlight the newest mountain home that you have on the market 2 You are a world class hospital that just released a new mother s ward with beautiful birthing and stay suites with a spa like feel 3 You re a restaurant owner and want to highlight your savory and mouthwatering specials each week The above examples are all situations where nothing is actually being transacted online but the business is building brand awareness and drumming up interest so that the consumer will visit their website or pick up the phone to learn more The mysterious Instagram algorithm While we ll never know exactly how Instagram has weighted the various data points that they put into their algorithm we do know that Instagram s back end technology now focuses on relevancy serving up the posts that are most likely to relate to certain users based on their activity on the site So every time a user clicks through a post or spends a certain amount of time looking at a certain influencer Instagram is capturing that data in some way and building it into their engine to ensure that posts that users won t care about are less likely to show up in their feed We do know however that Instagram is looking at the following Timely content This is all about recency meaning if a user hasn t logged in for a while they won t have to scroll through outdated and no longer relevant posts They ll be shown timely content that matters to them Interest This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in

Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company s registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book **Instagram Marketing** Mark Hollister,2019-04-12 Instagram Marketing Secrets and Hacks Top Influencers Use to Grow and Monetize Their Personal Brand and Business This book should be a book on advanced Instagram strategies to grow an audience and to monetize the followers This book should contain up to date information on what s working and what s not Also include secrets from successful and big brands and influencers Include plenty of handy examples and mini case studies of brands and influencers that have built an enviable social media presence Inside this book you will discover The reason why you should advertise on Instagram Building a Strong Instagram Profile Instagram Content Growing your Fan Base Converting Followers into Clients Via Instagram Sales Funnel Road to 10k Followers a Month Secrets to engaging with your audience when marketing on Instagram The best methods for selling products to customers as a small business or personal brand Personal marketing has never been more important and your personal brand should communicate the best you have to offer Personal branding benefits your business by Establishing credibility and through leadership Growing your network Helping you market yourself Attracting new opportunities Increasing sales Helping you reach your business goals How to incorporate a unique selling proposition into your personal branding How to access opportunities that can take your brand to the next level How to use business storytelling to sell products in both physical and online marketplaces So don t delay it any longer Take this opportunity and get this book now You will be amazed by the skills you quickly attain Grab your copy today Scroll up and click the Buy Now button **Instagram Marketing** Chase Barlow,2020-04-19 If you want to discover why some people fail with Instagram marketing while others see massive success and you d like to join the latter group then keep reading Are you sick and tired of marketing efforts that bring about zero results Have you tried endless other ways to grow your personal
