Stone,2006-03-01 Logo Design Workbook focuses on creating powerful logo designs and answers the question What makes a
logo work In the first half of this book authors Sean Adams and Noreen Morioka walk readers step by step through the entire
logo development process Topics include developing a concept that communicates the right message and is appropriate for
both the client and the market defining how the client s long term goals might affect the look and needs of the mark choosing
colors and typefaces avoiding common mistakes and deciphering why some logos are successful whereas others are not The
second half of the book comprises in depth case studies on logos designed for various industries Each case study explores the
design brief the relationship with the client the time frame and the results *Logo Design Love* David Airey,2009-12-20
There are a lot of books out there that show collections of logos But David Airey s Logo Design Love is something different it
s a guide for designers and clients who want to understand what this mysterious business is all about Written in reader
friendly concise language with a minimum of designer jargon Airey gives a surprisingly clear explanation of the process using
a wide assortment of real life examples to support his points Anyone involved in creating visual identities or wanting to learn
how to go about it will find this book invaluable Tom Geismar Chermayeff Lindon Leader who created the current FedEx
brand identity system as well as the CIGNA logo and many more Readers will learn Why one logo is more effective than
another How to create their own iconic designs What sets some designers above the rest Best practices for working with
clients 25 practical design tips for creating logos that last **Principles of Logo Design** George Bokhua,2022-08-09 Learn
to design simple powerful and timeless logos Winner of the 2022 American Graphic Design Award for Book Design from
Graphic Design USA When you think of a brand often the first thing that comes to mind is the logo the visual representation
of that product place thing or business The power of simplicity for these marks can never be underestimated a logo that
comprises simple shapes can communicate a stronger message than a complex one leaving a lasting impression in a viewer s

mind In Principles of Logo Design noted logo designer George Bokhua shares his process for creating logotypes that will stand the test of time Applying the enduring principles of classic texts on grid systems by Josef Muller Brockmann and on form and design by Wucius Wong Bokhua elaborates on his popular online classes demonstrating in detail how to maximize communication with minimal information to create logos using simple monochromatic shapes This comprehensive volume includes How to apply a strong simple and minimal design aesthetic to logo design Why gridding is important and understanding the golden ratio and when to use it How to sketch and refine logos through tracing then grid and execute a mark in Adobe Illustrator Fine tuning techniques to ensure visual integrity Knowing how to design a great logo is a core skill for any graphic designer Principles of Logo Design helps designers at all levels of skill and experience conceive develop and create logos that are not only pleasing to the eye but evoke a sense of perfection
