Don't Click That! İsmail Günaydin, 2025-07-31 Don't Click That: The Survival Guide to Outsmarting Online Scams in the Age of AI. Every day, thousands of people get scammed. Their identities stolen, accounts drained, digital lives turned upside down. And most of them? They're not careless or clueless. They just hesitated for a second. Clicked one link. That's all it took. This book exists to close that one-second gap. Don't Click That isn't just another list of scam types or basic security tips. It's a clarity tool. A psychological shield built to help you see through fake promises, emotional manipulation, and the digital fog that scammers rely on. Inside, you'll find practical strategies powered by AI tools and prompts that help you analyze messages, links, job offers, and websites before it's too late. Real-life scam breakdowns. Protection plans for families. And a system you can actually stick to, no matter how tech-savvy you are. If you've ever wondered, "Could this happen to me?" this book is your answer. Because the problem isn't technology. The problem is being left alone with it. The solution is trained instinct. Supported by tools. Backed by awareness. When you finish this book, you won't just understand scams; you'll be able to spot them, block them, and help others do the same. You'll build your own system of digital self-defense that adapts as the threats evolve. This is no longer just about whether or not you click. It's about who stays in control.
