Human-Centered AI at Work: Common Ground in Theories and Methods Annette Kluge, Corinna Peifer, Uta Wilkens, Verena Nitsch, Sophie Berretta, Greta Ontrup, 2024-04-26 Research can face artificial intelligence (AI) as an issue of technology development but also as an issue of enacted technology at work. Human-centered design of AI gives emphasis to the expertise and needs of human beings as a starting point of technology development or as an outcome of AI-based work settings. This is an important goal as expressed for example by the international labor organization's call for a human-centered agenda for the future of AI and automation collaboration. This Research Topic raises the question of what human centrality means, i.e., what are the criteria and indicators of human-centered AI and how can they be considered and implemented.

The Creator Mindset: 92 Tools to Unlock the Secrets to Innovation, Growth, and Sustainability Nir Bashan, 2020-08-04 Just about every book on creativity is bullshit. Filled with lofty theoreticisms and complexity about why you should be creative, they lack sound, practical tools about how to become more creative. That's where this book comes in. **The Creator Mindset** is designed to bring you simple, sound, and practical tools to awaken your creativity at work, even if you don't think you are creative. Not fluff or theories. No bullshit or fillers. Bashan draws on a lifetime of success in business to give you real, actionable tools that you can use to become more creative. And

each chapter brims with businesslike action items on how to make creativity happen at work Written in plain language with real world examples chapters include Creativity for non creative people Training your mind to think in a creative way When nothing else works creativity will The virtues of listening and the value of making mistakes Meant to be used as a manual which you can draw upon at the office business or in your career The Creator Mindset is all about teaching you how to awaken your long lost creativity in order to see the world as it can be not as it is *Stronger Through Adversity:*
