Organisational Behaviour, Jack Maxwell Wood, Retha Wiesner, Rachel R. Morrison, Aharon Factor, Tui McKeown, 2024-10-28. The sixth Australasian edition of *Organisational Behaviour: Core Concepts and Applications* stands as an exemplary resource tailored for one-semester courses in Organisational Behaviour. With a deliberate focus on succinctness, relevance and visual presentation, its fourteen chapters are meticulously crafted to captivate rather than inundate students. Throughout the text, a plethora of case studies and real-world instances delve into how organisations across the Australian, New Zealand and Asian regions navigate pressing contemporary business concerns. These include the imperative of sustainable business practices, grappling with environmental impact and climate change, mitigating the gender pay gap, addressing employee stress, fostering resilience and work-life balance, adapting to the dynamics of millennials and an ageing workforce, enhancing employee retention strategies and navigating the complexities of globalisation and outsourcing. Additionally, topics such as fostering diversity in the workplace, responding to workforce transformations precipitated by the COVID-19 pandemic, managing remote teams effectively, honing crisis management skills and harnessing the potential of emerging technologies, particularly the ascendancy of generative artificial intelligence (AI) tools, are comprehensively explored. This latest edition amplifies its focus on sustainability, entrepreneurial and adaptive leadership and the pivotal role of technology in catalysing digital transformation within organisational contexts. Complemented by the latest research in the field, this text provides a thorough analysis of contemporary organisational behaviour.
