Dogs What Dog For Me:

My Old Dog Laura T. Coffey, 2015-09-18 No Dog Should Die Alone was the attention grabbing and heart stirring headline of journalist Laura T Coffey's TODAY show website story about photographer Lori Fusaro's work with senior shelter pets. While generally calm, easy and already house trained, these animals often represent the highest risk population at shelters. With gorgeous joyful photographs and sweet funny true tales of old dogs learning new tricks, Coffey and Fusaro show that adopting a senior can be even more rewarding than choosing a younger dog. You'll meet endearing elders like Marnie the irresistible shih tzu who has posed for selfies with Tina Fey, James Franco and Betty White, Remy a soulful nine year old dog adopted by elderly nuns, George Clooney's cocker spaniel Einstein and Bretagne the last known surviving search dog from Ground Zero. They may be slower moving and a tad less exuberant than puppies but these pooches prove that adopting a senior brings immeasurable joy, earnest devotion and unconditional love.

The Black Dogs Project Fred Levy, 2015-09-15 Combat Black Dog Syndrome worldwide. A portion of all proceeds from Black Dog Project will be donated to black dog rescue. One of Tumblr's most viral blogs of 2014, the Black Dogs Project is a stunning photo series by animal photographer Fred Levy. Known as Black Dog Syndrome in animal shelters and rescues, it refers to the unfortunate phenomenon that black dogs are frequently the LAST dogs to be adopted and the FIRST dogs to be euthanized in rescue shelters. Animal photographer Fred Levy couldn't believe that it was true, so he began talking with shelters. Not only does the phenomenon exist but he discovered it's an epidemic. Levy decided to turn his camera lens to black dogs, showing the world how beautiful they truly are. He called the photo series The Black Dogs Project and the stunning photographs have been shared worldwide, spreading awareness and attention to the problem. A portion of all proceeds for Black Dogs Project will be donated to black dog rescue.

Hunting Dogs Oliver Hartley, 1909 *All Dogs Are Angels at Heart* Eileen Tonick MA, IACP, 2008-01-22 I talked my sister into letting me help her write this book because I knew it would take a lot of work to get it the way she wanted it. There are quotes here from people whose dogs were acting out and driving them loony. These desperate owners called Eileen because she is well known in these parts or because their veterinarian or a friend recommended her. She jumps in her blue jeep and drives to their house. She evaluates the dog and the owner. It's usually the owner's fault, I've discovered. She tells them, "This is a very cool dog. He's awesome. We can get him straightened around in no time." The relief they feel is huge. I've seen Eileen turn out of control dogs into angels in seconds. After some basic obedience training, the dogs and the owners often attend an agility or therapy dog class taught by Eileen.

The dogs are excited and happy to be there with the other dogs It s like camp or a festival The owners fall in love with their dogs again The dogs of course always love their owners no matter what Amazing creatures Everyone should read this book You should especially read it before you get a dog so you know exactly what s involved I m not only talking to the adults I m talking to the kids too Mickey McGovern has worked in the Hollywood film industry for fifteen years as a writer and a visual effects producer But more importantly she s Eileen Tonick s sister
