Communications Louis A. Day, 1997 You'll find yourself engaged firsthand in controversial issues in the Second Edition of Ethics in Media Communications As you take on the role of ethical decision maker you'll analyze rich and original case studies arrive at your own conclusions and master the process of moral reasoning Author Louis A Day prepares you for the journey by providing a clear decision making model a framework to help you structure your thinking Along the way familiar examples the O J Simpson trial the Waco standoff and the Oklahoma City bombing illustrate the complex nature of ethics in our society You'll contemplate ethical concerns from journalism advertising PR and entertainment by focusing on the underlying values common to them all truth privacy confidentiality and social justice You'll grapple with issues of race gender age and sexual orientation And you'll consider perhaps the broadest question of all Are there universal standards to which media practitioners should aspire **Journalism & Mass Communication Directory**, 1994 An Ethics Trajectory John Michael Kittross, 2008 **The Media of Mass Communication** John Vivian, 1998-09 This up to date thoughtful and reader friendly presentation of the mass media media messages and media issues uses the media to teach the media Widely praised for its ability to make learning interesting Vivian excites readers as they explore the ever changing subject of mass communication The book retains its emphasis on the challenges of media while building on its extensive coverage of media history effects and culture Every chapter reflects the most current statistics issues and challenges facing the media today For mass communication students and enthusiasts Controversies in Media Ethics David Gordon, John M. Kittross, John Calhoun Merrill, Carol Reuss, 1999 Provides students and practitioners with a carefully constructed set of opposing arguments which focus on several major controversies facing mass media practitioners today Each chapter deals with specific controversies and has two contrasting points of view on a major problem written by two different authors

American Journalism Review, 1998 Washington Journalism Review, 1993 **Media Ethics** Philip Patterson, Lee Wilkins, 1998 This diverse and up to date compilation of classroom tested cases in media ethics is now available in a new edition Media Ethics combines real life and hypothetical cases with a succinct introduction to relevant ethical theory helping students prepare for the ethical situations they will encounter in the media professions Ideal as the main text in a media ethics course or as a supplemental text in any course in journalism **Mass Media/mass Culture** James Ross Wilson, Stan Le Roy Wilson, 1998 An overview of the effects of mass media on culture **Mass Communication Ethics** Larry Z. Leslie, 2004 This text is the first to put ethical issues in a cultural and historical context based on the premise that ethical problems arise from myriad of cultural forces The first section focuses on ethics in postmodern America and how to

effectively make decisions in a contemporary society Next students learn about ethical philosophers from Plato to Foucault and their beliefs The individual philosophical messages within each biographical sketch can be fully realized when applied to the included media case studies The final part of the text asks students to apply the these philosophers teachings to ethical issues in areas such as journalism public relations and the music industry Some case studies are entirely new others updated and include Nike s labor practices September 11 and the news the South Park cartoon the NFL and the advertising of prescription medicine

Ethics Barbara MacKinnon,2001 Combining theory and issues with text and readings this ethics text begins with coverage of ethical theory utilitarianism Kant s moral theory natural law and virtue ethics It then goes on to discuss contemporary ethical issues ranging from personal ones such as sexual morality and euthanasia to matters of public policy such as legal punishment and international concerns such as war and peace and economic justice

Business Periodicals Index ,1992 **The Journalists' Privilege Not to Disclose Their Sources in Court** Valentina Bratu,2007 Protecting journalists sources confidentiality helps the press in fulfilling its watchdog function Disclosing these sources in front of the courts of law serves the interests of the justice This book analyzes the case law the statutory instruments and the journalists professional codes of conduct in United Kingdom the European Court of Human Rights and the United States to see how these jurisdictions accommodate these two legitimate and competing interests The book examines the theories behind the journalists privilege the procedural issues surrounding the matter and the scope of protection This book will be of interest to lawyers students scholars journalists and policy makers
