Doing The Truth In Love Conversations About God Relationships And Service:

Doing the Truth in Love Michael J. Himes, Jan Pilarski, Donald P. McNeill, 2014-05-14 This basic and engaging theology of God human relationships and service assists readers in reflecting more faithfully and more theologically on their own lives particularly if they are involved in pastoral ministry or service projects

Responses to 101 Questions on Catholic Social Teaching Kenneth R. Himes, 2001 An explanation of Catholic social teaching using the 101 Questions format

Reinventing Theology in Post-Genocide Rwanda Marcel Uwineza, Elisée Rutagambwa, Michel Segatagara Kamanzi, 2023 In the year 2019 Rwanda marked twenty five years after the genocide against the Tutsi Sadly Catholic priests and nuns were complicit or even participated in the killing of an estimated 800 000 ethnic Tutsis Thousands of people were slaughtered in Catholic Churches where they took refuge For example 5000 people are estimated to have been killed at the Ntarama Catholic Church in August 1994 In March of 2017 Pope Francis issued an apology remarking that the sins and failings of the Church and its members had disfigured the face of Catholicism This statement recognized that the Catholic Church s role in the genocide has implicated the entire Church and is an invitation to reimagine the very essence of the meaning of the Church theology in its multiple dimensions the missionary enterprise the mission of the Church and the place of human dignity in the Catholic faith The task of rethinking what it means to be the Church and restoring fraternal identity as Christians in post genocide Rwanda is thus crucial if theology is to make sense again This is particularly imperative in as much as theology is compelled to reflect upon the very evils that have disfigured the Church s image and people s identity namely the evils of sin suffering the indifference of bystanders the increasing number of genocide deniers the complexity of memory the lack of credible and prophetic leadership that invites a new way of thinking about theology This book brings together bishops theologians historians and other scholars to reflect on how the Rwandan Catholic Church can restore fundamental peace and rebuild lasting reconciliation

The Gift of Love Andrew Staron, 2017-02-01 The Gift of Love explores the intelligibility of Augustine s claim that we come to know and encounter God in and through our love Building upon the discoveries of recent scholarship Andrew Staron reads Augustine s De Trinitate not as presenting the Trinity as a concept to be grasped but rather as a rational study of the limits of theological language and the possibility of coming to know the Trinity because of those limits Human dependence on God s initiative indicates that the Trinitarian God of love is knowable only through attention to how God s self revelation transforms and saves us Therefore to see God one seeks to mark love s formative activity within the heart Jean Luc Marion s rigorous description of the gift of love offers to Augustine s theology a phenomenological texture by which the Trinitarian love given in revelation might be made incarnate in one s life The Gift of Love presents a reason for hope that while coming to know the Trinity that God is might be impossible for human beings it is made possible by God s antecedent gift of love given in the missions Son and Holy Spirit and iconically received in the particularity of one s own love

Catholic Social Learning, Expanded Edition Roger
