Doing Research With Refugees Ibues And Guidelines:

Doing Research with Refugees Bogusia Temple, Rhetta Moran, 2006-01-31 Explores methodological issues relating to the involvement of refugees in service evaluation and development building on a two year seminar series funded by the ESRC and attended by a range of participants

Refugees, Recent Migrants and Employment Sonia McKay, 2008-11-14 Pt 1 Concepts and methodologies pt 2 State policies in relation to migrants and refugees pt 3 Structural discrimination and strategies of response

Community Research for Participation Lisa Goodson, Jenny Phillimore, 2012-07-18 This book bridges a major gap in knowledge by considering through a range of reflexive chapters from different disciplinary backgrounds both theoretical and practical issues relating to community research methodologies The international contributors consider a number of key epistemological ontological and methodological questions They explore what community peer research means in a range of settings for a range of people for the quality of data and subsequent findings and for the production of rigorous social research The collection will also stimulate thinking about how methodological advancement can be made in the field It is the first book of its kind to combine practical and methodological reflections with clearly presented recommendations about how the approach can be used Presenting the latest thinking in the field and providing summaries case studies and review questions Community research for participation will be invaluable to students researchers academics and practitioners who aim to place community members at the centre of their research

Refugees in Higher Education Jacqueline Stevenson, Sally Baker, 2018-10-15 This book provides a critical appraisal of the participation of students from refugee backgrounds in higher education exploring how global discourses about forced migration play out for students in terms of accessing participating and succeeding in higher education

Museums and Migration Laurence Gourievidis, 2014-07-25 Recent decades have seen migration history and issues increasingly featured in museums Museums and Migration explores the ways in which museum spaces local regional national have engaged with the history of migration including internal migration emigration and immigration It presents the latest innovative research from academics and museum practitioners and offers a comparative perspective on a global scale bringing to light geo and socio political specificities It includes an extensive range of international contributions from Europe Asia South America as well as settler societies such as Canada and Australia Museums and Migration charts and enlarges the developing body of research which concentrates on the analysis of the representation of migration in relation to the changing character of museums within society examining their civic role and their function as key public arenas within civil society It also aims to inform debates focusing on the way museums interact with processes of political and societal changes and examining their agency and relationship to identity construction community involvement policy positions and discourses but also ethics and moralities

An Introduction to Qualitative Research Maria K. E. Lahman, 2024-04-17 This engaging introduction to all aspects of qualitative research challenges students to consider how their research can be culturally responsive The first part of the

book introduces the foundations including theory ethics and reflexivity with an emphasis on multiple methodologies from traditional to critical and cutting edge The second part covers practical guidance from writing proposals to data collection and includes a chapter dedicated to creating a culturally responsive relationship with research participants Finally readers engage with how the quality of research is enhanced how data are analyzed and how research accounts are created and disseminated Areas vital to the health of qualitative research are addressed including systemic racism and cultural humility with cutting edge suggestions offered in areas like hybrid research harnessing technology and use of social media Multiple identities are centered in examples throughout including race gender and those who are hard to reach or seldom heard in research Textboxes featuring scholars student researchers and community members invite readers into dialogue in an area that is contested swiftly shifting and always vibrant with potential Resources for instructors are available on a website to accompany the book
