Normal Instructor and Teachers World ,1924 The Classroom Teacher Milo Burdette Hillegas,Thomas Henry Briggs,1929 Isn't S/he a Doll? Elisabeth Lynn Cameron,Doran H. Ross,1996 From Preface This publication challenges the prevailing opinion among scholars of African art that the word doll is an inappropriate designation for many genres of African art to which it is often applied The word it seems evokes a limited set of images that are incompatible with the stereotype of African sculpture as objects laden with ritual and religious associations associations which to many minds preclude any consideration of play as part of their existence Our basic premise for this volume is that the problem is not the application of doll to African contexts but rather a profound misunderstanding of what a doll is Playing with dolls we argue is serious business and we in the United States and elsewhere in the Western world probably take ours too lightly While the average parent views these figures as relatively inconsequential objects it is becoming increasingly clear to social scientists that they can be active in establishing value systems and constructing identities Library Journal ,2003 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately Multicultural Projects Index Mary Anne Pilger,1998 An index to multicultural learning projects for kindergarten through eighth grade classrooms which appear in over 1 700 books including handicrafts foods games and activities arranged alphabetically by subject with cross references and complete bibliographic information
