Domestic Service And Gender 1660 1750 Life And Work In The London Household:

Domestic Service and Gender, 1660-1750 Tim Meldrum, 2014-09-11 In this exciting new study Tim Meldrum explores the real lives of domestic servants From close examination of court records and other documentary evidence he has reconstructed the lives of ordinary domestic servants in London A revealing account of life below the stairs the gendered nature of domestic service how different members of the household interacted with one another it makes a valuable contribution to the separate spheres debate [Domestic Service and Gender, 1660-1750](#) Timothy Meldrum, 2000

Women and Gender in Early Modern Europe Merry E. Wiesner-Hanks, Merry E. Wiesner, 2019-01-24 This new edition of Merry E Wiesner Hanks s prize winning survey features significant changes to reflect the newest scholarship in every chapter

Gender, Taste, and Material Culture in Britain and North America, 1700-1830 John Styles, Amanda Vickery, 2006 Between 1700 and 1830 men and women in the English speaking territories framing the Atlantic gained unprecedented access to material things The British Atlantic was an empire of goods held together not just by political authority and a common language but by a shared material culture nourished by constant flows of commodities Diets expanded to include exotic luxuries such as tea and sugar the fruits of mercantile and colonial expansion Homes were furnished with novel goods like clocks and earthenware teapots the products of British industrial ingenuity This groundbreaking book compares these developments in Britain and North America bringing together a multi disciplinary group of scholars to consider basic questions about women men and objects in these regions In asking who did the shopping how things were used and why they became the subject of political dispute the essays show the profound significance of everyday objects in the eighteenth century Atlantic world [Women, Gender and Labour Migration](#) Pamela

Sharpe, 2002-01-31 Approximately half of all migrants are today are female The contributors to this volume consider the ways in which attention to gender is moving debates away from old theories that have long dominated the field of migration studies

Unfortunate Objects T. Evans, 2005-10-11 This book analyzes how poor eighteenth century London women coped when they found themselves pregnant their survival networks and the consequences of bearing an illegitimate child It does so by exploring the encounters between poor women and the parish as well as London s lying in hospitals and the Foundling Hospital It suggests that unmarried mothers did not constitute a deviant minority within London s plebeian community In fact many could expect to find compassion rather than ostracism a response to their plight All poor mothers left without the support of their child s father shared similar strategies of survival and economies of makeshift *The Oxford Encyclopedia of Economic History* Joel Mokyr, 2003 What were the economic roots of modern industrialism Were labor unions ever effective in raising workers living standards Did high levels of taxation in the past normally lead to economic decline These and similar questions profoundly inform a wide range of intertwined social issues whose complexity scope and depth become fully evident in the Encyclopedia Due to the interdisciplinary nature of the field the Encyclopedia is

divided not only by chronological and geographic boundaries but also by related subfields such as agricultural history demographic history business history and the histories of technology migration and transportation The articles all written and signed by international contributors include scholars from Europe Latin America Africa and Asia Covering economic history in all areas of the world and segments of economies from prehistoric times to the present The Oxford Encyclopedia of Economic History is the ideal resource for students economists and general readers offering a unique glimpse into this integral part of world history

Women and Urban Life in Eighteenth-century England Rosemary Sweet, Penelope Lane, 2003 Focusing on the participation of middling women in urban life *Women and Urban Life in Eighteenth Century England* focuses on the relationship between urban change and shifts in the pattern of gender relations in the 18th century a period of rapid transformations in English history It explores to what extent urban change accelerated a redefinition of gender relations the connections between urban growth changing definitions of citizenship and the emergence of the male gendered political subject the role of women in a literate consumer and industrializing society women's contribution to its development and how that in turn inflected contemporary conceptualizations of gender

Domestic Service in London, 1660-1750 Timothy Meldrum, 1996 Liverpool 1660-1750 Diana E. Ascott, Fiona Lewis, Michael Power, 2006 *Liverpool 1660 1750* explores the demographic economic social and political structures which made this British port city one of the world's greatest metropolises Liverpool was unique in the rate of its commercial development from the late 1600s through the 1900s but despite this fact little research has been done either on the characteristics of Liverpool's population at the beginning of the boom or its social structure Now for the first time a study exists that examines Liverpool's entire social stratum from enterprising merchants to the humble shipwrights and craftsmen usually hidden from the history books

Emotions in the Household, 1200-1900 Susan Broomhall, 2008-01-15 This collection asks new questions about the household examining the kinds of positive and negative emotional scope available to household members drawn together by shared economic social and biological needs rather than by blood ties Through a range of case studies across Western Europe the collection considers varied methodological approaches and sources to explore emotional realms between household members and grapples with the challenges of historicizing both the household and emotions

A Day in the Life Peter N. Stearns, 2006 Explores the current state of scholarship on daily life offering students and teachers an overview of the hows and whys of the little and big things people did thought and felt throughout their lives and in different historical periods
