Dominant Languages Language And Hierarchy In Britain And France:

Dominant Languages Ralph D. Grillo, R. D. Grillo, 2009-04-09 Through a detailed and systematic comparison of Britain and France Ralph Grillo examines the concept of language dominance and the causes and consequences of linguistic hierarchy

The Oxford Handbook of Language and Society Ofelia García, Nelson Flores (Linguist), Massimiliano Spotti, 2017 This book challenges basic concepts that have informed the study of sociolinguistics It proposes a critical poststructuralist perspective that examines the socio historical context that led to the emergence of dominant sociolinguistic concepts and develops new theoretical and methodological tools that challenge these dominant concepts *The Oxford Handbook of Language and Society* Ofelia Garcia, Nelson Flores, Massimiliano Spotti, 2016-11-01 This book challenges basic concepts that have informed the study of sociolinguistics It proposes a critical poststructuralist perspective that examines the socio historical context that led to the emergence of dominant sociolinguistic concepts and develops new theoretical and methodological tools that challenge these dominant concepts Minority Languages in the Linguistic Landscape D.

Gorter, H. F. Marten, L. Van Mensel, 2011-12-13 Providing an innovative approach to the written displays of minority languages in public space this volume explores minority language situations through the lens of linguistic landscape research Based on very tangible data it explores the same old issues of language contact and language conflict in new ways

Languages and Communities in Early Modern Europe Peter Burke, 2004-09-16 This book is a cultural history of European languages from the invention of printing to the French Revolution Negotiating Language Education Policies Kate Menken, Ofelia Garcia, 2010-02-25 Bridging the divide between policy and practice this book explores how educators interpret negotiate resist and re create language policies in schools focusing on their central role in this complex and dynamic process

The State, the Activists and the Islanders Robert J. Blackwood, 2008-05-22 This analysis of language policy on Corsica provides the first study of the three levels of language policy existing on the Mediterranean island of Corsica It focuses on the key participants the State the language activists and the islanders in the language debate that has taken place across the island since its purchase by France This book is informed by recent work on language planning both theoretical and relating to specific case studies At the same time it engages with trends in sociolinguistics over the past decades which have included language planning in their investigations of languages in contact language obsolescence and language death A central premise of this book is that the three discrete categories of participants in the language debate are closely interrelated and that the status and position of Corsican in relation to French cannot be understood without a thorough exploration of these three strands This volume will appeal to researchers and students in French Studies sociolinguistics and especially language policy *A Selected Bibliography on the Sociology of Language with the Emphasis on Sources on Language Planning in Africa* August Dawid de Villiers Cluver, 1996 This work aims to provide the most comprehensive bibliography in the domain of Sociolinguistics and in the field of language planning The 640 page publication gives access to a large percentage of the

published literature via a sophisticated thesaurus As the title indicates Africa and specifically southern Africa is covered in great detail Sources on the history and development of the languages of Namibia and Zimbabwe have been included Apart from sources on the languages of Africa the bibliography also offers a comprehensive overview on topics such as language conflict language decline language development and language rights as well as a section on translations and interpreting The categorisation of sources is intended to stimulate researchers and postgraduate students and this makes the bibliography an indispensable tool for librarians and senior academics European Society in Upheaval Peter N. Stearns,1992

Language, Identity and Immigration Elite Olshtain,Gabriel Horenczyk,2000 Anthropological Linguistics ,2000 The Origins and Development of the English Language Thomas Pyles,John Algeo,1993 The fourth edition of *The Origins and Development of the English Language* continues to focus on the internal history of English its sounds grammar and vocabulary In organization the vocabulary is still treated most intensely in the final three chapter of the book By studying the history of English one can better understand the irregularities of modern English as well as finding more about ourselves

Language and Space: Theories and methods Peter Auer,Jürgen Erich Schmidt,2010 Meeting Handbook Linguistic Society of America,1989 **The Teaching of Anthropology** Conrad Phillip Kottak,1997 This collection brings together articles first developed for the symposia on teaching held by the American Anthropological Association in 1990 1991 and 1992 as well as additional papers from over 40 leading teachers in the field The articles span the educational continuum from teaching the introductory course to teaching pre collegiate instructors As a professional reference text it is a book that no current or future teacher of anthropology should be without **Pontmain, Prophecy, and Protest** Cheryl A. Porte,2005 Pontmain Prophecy and Protest considers the appearance of Mary in Pontmain France in its concrete historical and cultural dimensions and demonstrates that an apparition s context dramatically affects how it is both perceived and promoted Highlighting how a private religious experience became a tool of the Roman Catholic Church which used it for affirmation and promoted it as a kind of protest against contemporary evils this book offers a new perspective on the processes at work when people turn to religion to shape their perception of reality *Dialect and Standard Language* J. A. van Leuvensteijn,Johannes Bernardus Berns,1992 Paperback Four Northern European language areas are discussed in this volume English Dutch German and Norwegian The interaction of dialect and standard language in each language area is first considered from an historical point of view and then in the context of the present day situation Some of the issues featured are in the United Kingdom and in The Netherlands dialects and standard language coalesce in a kind of Umgangssprache in large parts of Germany there is a gap between the dialects Umgangssprachen continuum on the one hand and the written standard language Hochsprache on the other in Switzerland an Umgangssprache does not exist at all and the dialects hold their strong position as in Norway It is shown that dialects Umgangssprachen and standard languages affect each other in so far as this is tolerated by and is useful to communities that use several varieties This volume should stimulate further
