Short History of the Dominion of Canada, from 1500 to 1878 Charles Richard Tuttle, 1878 *The History of the Dominion of Canada* William Henry Pope Clement, 1898 **The History of the Dominion of Canada (Classic Reprint)** W. H. P. Clement, 2015-07-01 Excerpt from *The History of the Dominion of Canada* The subject of Canadian history has been usually treated in the textbooks authorized in elementary and secondary schools from a Provincial rather than a Dominion standpoint Such works at best do not meet our present need as they necessarily fail to give adequate recognition to all sections of the country and as they often contain exaggerated notions of provincial matters It was thought by many teachers that this mode of treatment should be changed and a wider view presented of the history and consolidation of the Dominion In 1889 the Quebec Provincial Association of Teachers discussed the feasibility of preparing a history of Canada with this object in view and in the following year the Teachers Associations of Ontario Prince Edward Island and Nova Scotia also considered the same subject In July 1891 representatives of the different provinces met at the Education Department in Toronto for a further consideration of the question Nevertheless it was not until July 1892 at the meeting of the Dominion Educational Association in Montreal that a scheme was formulated for the preparation of a text book by competition and a committee was appointed to examine such manuscripts as might be offered About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Brief of the Dominion of Canada](#) Canada.
