Don Bradman Brett Hutchins, 2002-09-23 This fascinating book takes a different look at Australia's all time sporting hero Sir Donald Bradman

*The Field* Douglas Booth, 2007-05-07 2006 North American Society for Sports History Book of the Year The literature on sport history is now well established taking in a wide range of themes and covering every activity from aerobics to zorbing However in comparison to most mainstream histories sport history has rarely been called upon to question its foundations and account for the basis of its historical knowledge In this book Booth offers a rigorous assessment of sport history as an academic discipline exploring the ways in which professional historians can gather materials construct and examine evidence and present their arguments about the sporting past Part 1 examines theories of knowledge while Part 2 goes on to scrutinize the uses of historical knowledge in popular and academic studies of sport history With clear structure examples summary tables and a detailed glossary *The Field* provides students teachers and researchers with an unparalleled resource to tackle issues fundamental to the future of their subject and sets the agenda for the debate to come

*Cricket and National Identity in the Postcolonial Age* Stephen Wagg, 2005-10-09 Bringing together leading international writers on cricket and society this important new book places cricket in the postcolonial life of the major Test playing countries Exploring the culture politics governance and economics of cricket in the twenty first century this book dispels the age old idea of a gentle game played on England's village greens This is an original political and historical study of the game's development in a range of countries and covers cricket in the new Commonwealth Sri Lanka Pakistan the Caribbean and India the cricket cultures of Australia New Zealand and post apartheid South Africa cricket in England since the 1950s This new book is ideal for students of sport politics history and postcolonialism as it provides stimulating and comprehensive discussions of the major issues including race migration globalization neoliberal economics the media religion and sectarianism

**Transnational Tourism Experiences at Gallipoli** Jim McKay, 2018-05-24 This book offers a fresh account of the Anzac myth and the bittersweet emotional experience of Gallipoli tourists Challenging the straightforward view of the Anzac obsession as a kind of nationalistic military Halloween it shows how transnational developments in tourism and commemoration have created the conditions for a complex dissonant emotional experience of sadness humility anger pride and empathy among Anzac tourists Drawing on the in depth testimonies of travellers from Australia and New Zealand McKay shines a new and more complex light on the history and cultural politics of the Anzac myth As well as making a ground breaking empirically based intervention into the culture wars this book offers new insights into the global memory boom and transnational developments in backpacker tourism sports tourism and dark or dissonant tourism

*Exploring Media Research* Andy Ruddock, 2017-08-21 From Donald Trump's use of Twitter to social media mourning to cyber bullying the evidence of media influence today is all around us As such good media research is more important than ever and crucially is something all students can and should do *Exploring Media Research* is an eye opening exploration of what it means to

understand and do media research today Carefully balancing theory and practice Andy Ruddock demystifies the process showing you don t need huge amounts of time or money to do meaningful media analysis The book Introduces students to the scope and seriousness of media influence Shows them how to tie their own interests to academic concepts and research issues Explains how to use this understanding to develop proper research questions Translates key theoretical concepts into actual research methods students can use to explore the media texts events markets and professionals that interest them Bringing theory to life throughout with a range of contemporary case studies Exploring Media Research is a thoughtful and practical guide to gathering and analysing media data It is essential reading for students of media communication and cultural studies
