Donald Judd Colorist:

Donald Judd, Colorist Donald Judd, Dietmar Elger, 2000 Artwork by Donald Judd Contributions by Martin Engler William Agee Text by Dietmar Elger **Donald Judd** Donald Judd, 1987 Donald Judd Annie Ochmanek, Alex Kitnick, 2021-02-02 Artists architects art historians critics and curators explore the work of Donald Judd as both artist and critic in essays spanning all of Judd's career Donald Judd 1928-1994 is one of the most influential American artists of the postwar era Beginning in the 1960s he developed new ideas about art in both his works and writings that challenged many of modernism's core tenets by resisting the categories of painting and sculpture Judd described this work as specific objects Critics labeled it minimalism Perhaps because Judd's own critical writings provide a discursive framework for his work some of the monographic essays on his work are not widely known This volume collects critical and scholarly writings on Judd examining his work as both artist and critic **Donald Judd Writings** Donald Judd, 2016-11-22 With hundreds of pages of new and previously unpublished essays notes and letters Donald Judd Writings is the most comprehensive collection of the artist's writings assembled to date This timely publication includes Judd's best known essays as well as little known texts previously published in limited editions Moreover this new collection also includes unpublished college essays and hundreds of never before seen notes a critical but unknown part of Judd's writing practice Judd's earliest published writing consisting largely of art reviews for hire defined the terms of art criticism in the 1960s but his essays as an undergraduate at Columbia University in New York published here for the first time contain the seeds of his later writing and allow readers to trace the development of his critical style The writings that followed Judd's early reviews are no less significant art historically but have been relegated to smaller publications and have remained largely unavailable until now The largest addition of newly available material is Judd's unpublished notes transcribed from his handwritten accounts of and reactions to subjects ranging from the politics of his time to the literary texts he admired most In these intimate reflections we see Judd's thinking at his least mediated a mind continuing to grapple with questions of its moment thinking them through changing positions and demonstrating the intensity of thought that continues to make Judd such a formidable presence in contemporary visual art Edited by the artist's son Judd Foundation curator and co-president Flavin Judd and Judd Foundation archivist Caitlin Murray this volume finally provides readers with the full extent of Donald Judd's influence on contemporary art art history and art criticism *Donald Judd Interviews* Donald Judd, 2019-11-12 Donald Judd Interviews presents sixty interviews with the artist over the course of four decades and is the first compilation of its kind It is the companion volume to the critically acclaimed and bestselling Donald Judd Writings This collection of interviews engages a diverse range of topics from philosophy and politics to Judd's insightful critiques of his own work and the work of others such as Mark di Suvero Edward Hopper Yayoi Kusama Barnett Newman and Jackson Pollock The opening discussion of the volume between Judd Dan Flavin and Frank Stella provides the foundation for many of the succeeding conversations focusing on the nature and material conditions of

the new art developing in the 1960s The publication also gathers a substantial body of unpublished material across a range of mediums including extensive interviews with art historians Lucy R Lippard and Barbara Rose Judd s contributions in interviews panels and extemporaneous conversations are marked by his forthright manner and rigorous thinking whether in dialogue with art critics art historians or his contemporaries In one of the last interviews he observed Generally expensive art is in expensive chic circumstances it s a falsification The society is basically not interested in art And most people who are artists do that because they like the work they like to do that make art Art has an integrity of its own and a purpose of its own and it s not to serve the society That s been tried now in the Soviet Union and lots of places and it doesn t work The only role I can think of in a very general way for the artist is that they tend to shake up the society a little bit just by their existence in which case it helps undermine the general political stagnation and perhaps by providing a little freedom supports science which requires freedom If the artist isn t free you won t have any art Donald Judd Interviews is co published by Judd Foundation and David Zwirner Books The interviews expand upon the artist s thinking present in Donald Judd Writings Judd Foundation David Zwirner Books 2016 *Donald Judd* Donald Judd, , **Donald Judd Spaces** Flavin Judd,Rainer Judd,2023-03-18 This book presents an unprecedented visual survey of the living and working spaces of the artist Donald Judd in New York and Texas Filled with newly commissioned and previously unpublished archival photographs alongside five essays by the artist this book provides an opportunity to explore Judd s personal spaces which are a crucial part of this revered artist s oeuvre From a 19th century cast iron building in Manhattan to an extensive ranch in the mountains of western Texas this book details the interiors exteriors and land surrounding the buildings that comprise Judd s extant living and working spaces Readers will discover how Judd developed the concept of permanent installation at Spring Street in New York City with artworks furniture and decorative objects striking a balance between the building s historic qualities and his own architectural innovations His buildings in Marfa Texas demonstrate how Judd reiterated his concept of integrative living on a larger scale extending to the reaches of the Chinati Mountains at Ayala de Chinati his 33 000 acre ranch south of the town Each of the spaces was thoroughly considered by Judd with resolute attention to function and design From furniture to utilitarian structures that Judd designed himself these residences reflect Judd s consistent aesthetic His spaces underscore his deep interest in the preservation of buildings and his deliberate interventions within existing architecture Donald Judd Donald Judd,Thomas Kellein,2002 Richard Shiff: Writing After Art Richard Shiff,2023-05-16 A broad and deep anthology of critic and art historian Richard Shiff s most influential writings which have shaped our understanding of twentieth and twenty first century art Elegantly designed as intended for broad readership including art historians art critics artists among other lovers of art this volume is a must read experience with pleasure and discovery Phong Bui The Brooklyn Rail In his engaging and often strikingly deep observations of major modern and contemporary visual art Shiff has written about an impressive range of artists including Willem de Kooning Marlene Dumas Jasper Johns Donald Judd Barnett Newman
