The Domestic Cat William Gordon Stables, 1876 DaVinci's Cat Menza, 2006-05 A humorous rhyming story written in iambic pentameter that follows the adventures of Leonardo da Vinci s cat **Hemingway's Cats** Carlene Fredericka Brennen, 2015-09-01 Ernest Hemingway always had cats as companions from the ones he adored as a child in Illinois and Michigan to the more than 30 he had as an adult in Paris Key West Cuba and Idaho All are chronicled and most are pictured here along with revelations of how they fit into the many twists and turns of his life and loves In 1943 Ernest Hemingway living in the Finca in Cuba with his third wife and eleven cats wrote to his first wife One cat just leads to another The place is so damned big it doesn t really seem as though there were many cats until you see them all moving like a mass migration at feeding time He called the cats purr factories and love sponges who soaked up love in return for comfort and companionship He gave each a name that suited its character including F Puss Fatso Friendless Feather Kitty Princessa Furhouse Uncle Woofer and his last cat in Idaho Big Boy Peterson You ll also meet his nine dogs a cow and a young great horned owl that he rescued not long before his death Hemingway s Cats reveals a softer side to the writer s character than is usually portrayed by the macho image of the hunter and fisherman He sought the cats comfort in times of loneliness and stress and he featured

Kitty Chronicles

John Proeller, George Tanner, 2005-02-01 This first volume of *Kitty Chronicles* a factual first person account opens describing childhood experiences in the late 1920's and early 1930's of an older sister's cats following a hiatus of a few years some cat problems of fellow university students are characterized In San Francisco after a misguided attempt at keeping in his apartment two Siamese cats while the owner was on vacation the narrator had only casual experiences of other people's cats until he was hired by an estate executor to take care of the dead man's surviving old Siamese tomcat Of unique interest was the courtship of a Siamese female by a neighborhood tomcat and how the Siamese mother reared her one kitten a look alike daughter who matured to help with the education of a second litter of four A Siamese female brought by a room mate to Santa Rosa ingratiates herself by clearly communicating with the man Rather than endure another season of mouse infestation in San Francisco's cheap hotels the old man agreed to let his current room mate provide him with a kitten Upon seeing the tiny blue cream three week old kitten the man was so enamored that taking the kitten everywhere with him he taught the kitten to walk with him without a leash and to climb trees Finally discovering the kitten was a female the room mate suggested that because of her great beauty she be named *Cassiopeia* a name to which the cat responded when pronounced with an accented long O of the antepenult Gaining more confidence in each other the old man allowed *Cassiopeia* to stay outside all night in feral cat colonies to learn feline skills like catching mice and coping with rats Perhaps by exercising so much freedom to do much as she pleased it was said she had the old man wrapped around her little claws she broke her hind leg and while she was still in a walking cast for weeks her owner had to move with her to a temporary place because the hotel where they were living was sold Continuing vigorously active in leading her aging owner on a merry chase *Cassiopeia* seriously damaged her hip joint but enabling her to walk without a limp and even to climb trees the veterinarian constructed a false hip out of cartilage *Cassiopeia* played courtship games with an old orange tomcat who came into the yard

however when walking with her owner she met a black tomcat ran off with him into a crawl space and for the next few days had a romance The veterinarian had advised that CassiOpeia not mate on her first heat which fortunately occurred on the other side of town at Lake Merced near the zoo where she stayed for four days and did not mate with any other cats in the area In her next heat she persuaded her owner to take her out for a rendezvous with the black tomcat of her choice and two months later CassiOpeia gave birth to six kittens whom she taught the skills she had learned Though she tried to see her black mate again the crawl space had been boarded over and he was gone Keeping one gray daughter Calliope the old man moved onto Potrero Hill where CassiOpeia mated again and had a litter of five While in the midst of getting homes for the kittens ten days after being struck down by an automobile the old man came home from the hospital on crutches to mama CassiOpeia Calliope and little Marmosette To prevent the birth of more kittens both the mother and the older daughter were spayed right away As the man regained his walking ability and while CassiOpeia continued to expand her feline social connections Calliope was entrusted with Marmosette's care and education Harassed by complaints of a woman living downstairs that CassiOpeia was killing birds the man hastened to complete the surgical treatment on his knee also having maturing Marmosette spayed while looking for a place that would rent to a person with three cats he moved them outside to cat friendly Russi
