Donnellys London:

In Search of the Donnellys Ray Fazakas, 2012-02 The massacre of the Donnellys by their fellow church members has fascinated the public in the English speaking world for well over a hundred years Contained in this book are intriguing new photographs never before published and significant new information which will pique the interest even of those who have been familiar for years with this bit of North American folk history with Irish roots **The Donnellys: Powder Keg** John Little, 2021-11-02 A violent family living in violent times In the 1840s the Donnelly family immigrates from Ireland to the British province of Canada Almost immediately problems develop as the patriarch of the family is sent to the Kingston Penitentiary for manslaughter leaving his wife to raise their eight children on her own The children are raised in an incredibly violent community and cultivate a devoted loyalty to their mother and siblings which often leads to problems with the law and those outside of the family The tensions between the family and their community escalate as the family's enemies begin to multiply The brothers go into business running a stagecoach line and repay all acts of violence perpetrated against them which only worsens the situation Refusing to take a backwards step the Donnellys stand alone against a growing power base that includes wealthy business interests in the town of Lucan the local diocese of the Roman Catholic Church law authorities and a number of their neighbours *The Donnelly Documents* Champlain Society, 2004 **Vengeance of the Black Donnellys : Canada's Most Feared Family Strikes Back from the Grave** Thomas P.
