Review, 1902 **The Essential Guide to Mummy Literature** Brian J. Frost, 2007-12-28 Few historical relics have exerted such a hold on our imaginations as the mummy. In 1834 Thomas J. Pettigrew's *A History of Egyptian Mummies* was the first scholarly work wholly devoted to the subject, providing for its time a remarkable analysis of the different mummification techniques used by the ancient embalmers. Such volumes of serious nonfiction have been supplemented over the years by additional works both scholarly and otherwise, as well as works of fiction that incorporate and expand upon mummy lore. Indeed, the popular concept of the mummy as a malevolent monster dates back to the nineteenth century when stories about mummies rising from the dead to terrify the living first captured the imagination of the reading public and set the revived corpse on the path to becoming a major horror icon. In *The Essential Guide to Mummy Literature*, Brian J. Frost provides the first in-depth survey and bibliography of works of fiction featuring mummies. In this comprehensive volume, Frost traces the development of the mummy story, paying particular attention to works by Victorian authors and pulp fiction writers as well as stories from the American pulp magazines. The annotated bibliography provides synopses of all the key works of fiction in the mummy canon, as well as others not so well known. Full publication details for each entry, with plot summaries of more than 500 works of fiction and abridged descriptions of 250 nonfiction books, are provided. Additionally, a filmography is included along with listings of young adult novels, children's storybooks, and reference works for both adults and children. Well organized and comprehensive, *The Essential Guide to Mummy Literature* will appeal to devotees of the horror genre and students of popular literature, as well as researchers and librarians. **Nor Wife, Nor Maid** Duchess, 1891 *Mercurial Dreams* Haden James, 2015-02-13 Aislinn Cain and the Serial Crimes Tracking Unit are being sent to the hottest place in North America to investigate mummified remains that were found in Death Valley. When Xavier Reece uncovers elemental mercury in the heart of one of the mummies, they discover there is more than Mother Nature at work. The victims have matching injuries, but only one of the bodies reveals the liquid metal, raising questions about how many killers are using the valley as a dumping ground. The team will have to use extraordinary means to connect all the victims to a single killer. However, with most of the victims unidentifiable due to the condition of the remains, their usual procedures of investigation are impossible. With 32 bodies already found, how high will the body count rise before Aislinn Cain and the SCTU can capture

Texas State Journal of Medicine ,1923 *The Unclassed* George Gissing, 2021-05-14 The Unclassed 1884 is a novel by George Gissing Inspired by his own struggles as a working writer forced to take up odd jobs while failing to gain traction with critics and readers Gissing crafts a tale of talent ambition and romance fallen victim to the vicissitudes of class The Unclassed poses important questions about convention in Victorian England while proving surprisingly relevant for our own times Struggling to make it as a lower class Londoner Osmond Waymark finds himself unable to give up his literary ambitions Desperate and lonely he strikes up a friendship with Julian Casti a similarly down and out young writer who suffers from both poverty and xenophobia as the son of Italian immigrants When Julian agrees to an ill advised marriage to Harriet Smales a rude young woman he inadvertently exposes Osmond to her manipulative and vindictive ways As Osmond falls for Ida Starr a prostitute s daughter driven to rise above her circumstances he unwittingly angers Harriet whose friend Maud is secretly in love with him In a shocking turn of events Harriet conspires to get Ida arrested for theft then maneuvers to get Osmond into the arms of Maud The two become engaged leaving Ida the novel s heroine to rely on her wits and survival instinct to not only prove her innocence but win back the man she loves In The Unclassed Gissing explores the limits of social mobility the struggles faced by young writers and the power of jealousy to poison both promise and hope With a beautifully designed cover and professionally typeset manuscript this edition of George Gissing s The Unclassed is a classic work of English literature reimagined for modern readers
