Robin,2024-04-29 Theatre Work Reimagining the Labor of Theatrical Production investigates both the history and current
realities of life and work in professional theatrical production in the United States and explores labor practices that are
equitable accessible and sustainable In this book Br d n Clements Cotton and Natalie Robin investigate the question of
artmaking specifically theatrical production as work When the art is the work how do employers navigate the balance
between creative freedom and these equitable accessible and sustainable personnel processes Do theatrical production
operations value the worker Through data analyses worker narratives and analogues to the evolving gig economy Theatre
Work questions everything about theatrical production work including our shared history ways of operating and assumptions
about how theatre is made and considers what might happen if the American Theatre was reborn in an entirely new form
