**Profitable Posts Social Media Marketing Plan to Build an Online Business to Profit Up**

**to Six Figures** ,2024-01-22 INTRODUCTION There comes a time when the elastic snaps When you push yourself to breaking point and everything crashes down My breaking point came on a gloomy Monday morning commute in 2015 Sitting in my car waiting for the lights to change I looked at two guys in their cars on either side of me They looked as miserable as I felt At that moment I burst into tears What the fuck was I doing with my life I was unhappy in my personal life and hated my job I couldn't see a way out I was too invested in my career too old to start again Looking back I didn't know jack shit about building a fitness business Corporate marketing is one thing Doing everything from scratch alone in a different industry is another I didn't have a creative agency or a multimillion pound budget All I had was a Personal Trainer certificate and the ironparadisefitness.com domain name Nevertheless I started building my online empire Or as I now refer to it pissing in the wind for two years I would write lousy articles post selfies and wonder why clients weren't beating down my virtual door Desperate to carve a way out of corporate life I vowed not to quit My business was my obsession Going out meeting friends and taking a break were a rarity I thought it was the only way to be successful I became a hermit A recluse Like the creepy guy kids fear in horror movies That's Old Man Mitchell from No 29 He never leaves the house Some say he only goes outside to dispose of the dead bodies I wasn't that bad but my social life went on ice I studied nutrition and learned the intricacies of exercise mechanics I read books and invested in courses on social media copywriting and web design Iron Paradise Fitness had consumed my entire life and I loved it It was the fire in my belly I'd been missing The passion I needed Although it did make for awkward conversations on Tinder dates What do you like to do in your spare time The innocent question would come Well I'm building my own business right now so that's my main focus Ah cool But what do you like to do for fun Work on my business Yeah but what about when you're not doing that I'm either working on my business thinking about working on my business or eating Oh

*Brandweek*, 2008. **Impact of Social Media on Social Cohesion. Disinformation & Hate Speech during the Ethiopian Civil War (2020-2022)** Netsanet Feleke Balkew, 2024-09-13. Master's Thesis from the year 2024 in the subject Politics. Topic: Peace and Conflict. Security grade A. Addis Ababa University. Peace Security studies course. Peace Security language English. abstract: The Ethiopian civil war 2020-2022 underscores the profound impact of social media on social cohesion, with platforms like Facebook and Twitter significantly shaping narratives and public discourse. This study delves

into how the spread of disinformation and hate speech on social media has intensified ethnic tensions and eroded trust within communities. By conducting a comprehensive literature review and employing qualitative methods such as content analysis and stakeholder interviews, the research investigates the role of these platforms in expanding divisions and escalating conflict. It identifies predominant narratives that fuel polarization and highlights the critical need for robust content moderation and regulatory frameworks. The study emphasizes the importance of multi stakeholder collaboration involving policymakers, social media companies, civil society, and international organizations to address the adverse effects of social media. Effective management of social media's influence in contemporary conflicts requires balancing freedom of expression with the prevention of harmful content.

**E-marketing** Judy Strauss, Raymond Frost, 2009. The 5th edition of *E Marketing* treats the subject as traditional marketing with a twist: the Internet and other technologies have had a profound effect on the way we do business. This transformation has resulted in new business techniques that add customer value, build customer relationships, and increase company profitability. Stressing product, pricing, distribution, and promotion, the authors use a strategic perspective and give many important practices not covered in previous editions, namely blogs, social networking, online branding, and search marketing. Point of purchase, scanning devices, databases, and other offline technologies are discussed. For anyone interested in learning more about electronic marketing, this is an excellent handbook; its comprehensive glossary makes this a must-have reference.

Marketing Library Services, 2007. *Handbook of Online Marketing Research* Joshua Grossnickle, Oliver Raskin, 2001. This work contains updated techniques and methods for conducting online market research in order for companies to become or remain competitive in the technology era. It also includes chat-based sessions, e-mail, and e-mail feedback.

**Gale Directory of Databases**, 2007. This is a guide to computer-readable databases available online in CD-ROM format or in other magnetic formats. Details include database descriptions, costs, and whom to contact for purchase. The material is indexed alphabetically and by subject, vendor, and producer.

**Mastering Web 2.0** Susan Rice Lincoln, 2009. *Mastering Web 2.0* can help both the individual entrepreneur and large organizations make sense of the confusing array of marketing options the Internet offers. Lincoln investigates new tools of the Web world such as blogging and podcasts and explains how to put them to good use.

*Directory of Online Databases*, 1992. **ABA Bank Marketing**, 2010.
