Doctrine of the Atonement AS Taught in the Parables of Jesus Christ C. Robert Line, Craig Frogley, Ronald E. Bartholomew, R. Scott Burton, 2023-04-17 It could well be that the Savior chose to teach principles relating to His infinite Atonement through the carefully cloaked statements contained in these seemingly simple stories of everyday life This gospel study is the first of its kind to focus attention wholly on the Atonement as the centerpiece of Christ's parables Join six celebrated LDS scholars in an in depth examination of specific parables of the Master that teach us directly about the Atonement Every page of this inspiring book will illuminate aspects of the Lord's ultimate act of redemption and will help the reader better understand the mercy justice depth and power of His infinite sacrifice for all humankind Come to understand the parables of redemption through this detailed study of six stories from the New Testament *The Parables of Jesus* James Montgomery Boice, 2015-12-15 Some sections of the Bible give us grand theology Some move us to grateful responses to God But the parables break through mere words and make us ask whether there has indeed been any real difference in our lives In this beloved classic James Boice takes us systematically through the parables of Jesus grouping them into five categories parables of the kingdom salvation wisdom and folly the Christian life and judgment In each section Boice brings Jesus words to bear on life today Through his careful study and clear explanation of each parable born from a sermon series he preached at the Tenth Presbyterian Church in Philadelphia where he pastored for 32 years he helps us understand just what Jesus meant and how our hearts and lives ought to respond Jesus parables are memorable for a reason Discover their power for yourself
