Doing Evangelism Jesus Way:

Doing Evangelism Jesus' Way Ronald J. Sider, 2003 Evangelism is the purpose of everything that Christians do Dr Sider explains that evangelism must be the explicit agenda of Christians rather than an implied one We must speak clearly to other people about Jesus Christ rather than assuming that our lifestyle or our values will be witness enough The goal of evangelism and the goal of every Christian's life is to bring other people to a saving relationship with Christ *The Mystic Way of Evangelism* Elaine A. Heath, 2008-10 Brings a fresh perspective to the theory and practice of evangelism by approaching it through contemplative spirituality *Evangelism Today* Scott Dawson, Scott Lenning, 2009-08-01 Although the message of the Gospel never changes our methods for communicating it need to adjust to an ever changing audience Evangelism Today helps believers whether individually or in groups share their faith in a culturally relevant way This book draws on insights from dozens of evangelists church leaders and educators to reveal present and future trends of evangelism in America It explores whether evangelism is still needed and in what form what the local church's role should be and where the biggest evangelistic opportunities are emerging Readers in any occupation or stage of life will gain a renewed passion for spreading the message of the cross from this practical and straightforward book *Sharing Faith the Jesus Way* Jim Currin, 2011-07 This title considers how Jesus shared the gospel message with individuals and what we can learn from that approach It includes lots of practical suggestions for how to apply the book's approach and shows how churches can adopt and teach the Jesus way as a congregational model for mission and evangelism *Sharing Jesus without Freaking Out* Alvin Reid, 2017-04-01 You were born for this God hardwired you yes you for this I'm talking about sharing Jesus with others What if I told you evangelism is less about delivering a polished presentation and more about having a real conversation What if I told you that God has created you to bring glory to himself by sharing Jesus with others and that you don't need years of training to obey what he already made you to do God created you for his glory to advance his gospel with the gifts talents and opportunities he gave you You live at this time in history for a purpose bigger than yourself In these pages you will read how to connect the gospel story with your story and how to talk about that story in normal conversations with people you know No gimmicks Nothing clever No need to freak out Just you Jesus and others in conversations that matter **The Study of Evangelism** Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious theological engagement and reflection Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism **Seeking the Lost, Keeping Them, Making Them Disciples** Dr. Benoit Petit-Homme, 2018-08-27 Seeking the Lost Keeping Them Making Them

Disciples By Dr Benoit Petit Homme God bless Dr Benoit Petit Homme for all the work he has done in putting this book together I believe that any church or leader who will follow these biblically grounded principles will see beautiful results in changed lives for the kingdom Teresa L Reeve PhD Associate Dean Seventh day Adventist Theological Seminary Associate Professor of New Testament Contexts Andrews University United States of America Dr Benoit Petit Homme s contribution to the discipleship crisis is a compelling re examination of scripture church history and 21st century pastoral experience Practical and convincing his straightforward style brings real solutions to the evangelistic Achilles heels of attrition He reminds us of what has been forgotten and calls us back to our relational roots Pr Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord

The Scandal of Evangelism Elmer John Thiessen, 2018-04-26 In today s multi cultural and multi religious world evangelism is often viewed as scandalous not only by those who are opposed to anything religious but also by many Christians In this book Elmer Thiessen provides a response to those who find most or even all Christian evangelism objectionable He does this through a careful analysis of what the Bible says about the ethics of evangelism Based on this inductive study mainly of the New Testament Thiessen proposes thirty guidelines for ethical evangelism Part II examines some specific contexts that pose unique challenges for doing evangelism ethically evangelism of children evangelism within a professional context like the secular academy evangelism within the context of humanitarian aid and finally the problem of proselytism understood in the special and narrow sense of sheep stealing

Evangelism Outside the Box Rick Richardson, 2025-07-31 It used to be that providing clear evidence for the resurrection of Jesus or the reliability of the Bible was a pretty effective way to reach people with the Good News But today many folks think all truth is relative even our historical and scientific data about Christianity So how can we reach them We need new ways of telling

people the old old story We need to look again at our usual mental habits if we want to reach people who have a brand new mindset of their own We need to get outside the box of ideas and practices that are sacred to us but are not sacred to God That s what Rick Richardson s book is all about Here are fresh perspectives on relying on the Holy Spirit awakening spiritual interest in others appealing to what they value instead of what we think they should value and leading them into a transforming experience with God Also included is Richardson s *Circles of Belonging* a new straightforward presentation of the message of Jesus yes it can even be sketched out on a napkin that is true to Scripture and true to the new way people live and think As an experienced evangelist and leader of evangelism programs Richardson offers in this helpful book the principles and practices that will help us all grow in love for and communicate effectively with people who need Jesus

Preparing Evangelistic Sermons Ramesh Richard, 2005-10 Ministry leader and evangelist provides readers with a proven do it yourself method for effective evangelistic sermons *Questioning Evangelism*, 3rd edition Randy Newman, 2023-01-17 You don t need to memorize evangelical formulas or answers You just have to be willing to ask questions There was something different about the way Jesus communicated with the lost He didn t force answers upon people He asked questions So why don t we Campus ministry veteran Randy Newman has been using a questioning style of evangelism for years In this thought provoking book he provides practical insights to help Christians engage others in meaningful spiritual conversations To Newman asking questions challenges how we think about unbelievers their questions and our message instead of telling unbelievers what to think A perennial best seller this third edition includes both revisions of current chapters such as an expanded discussion on LGBTQ issues and the debate on transgenderism and new chapters that ponder issues such as science and suffering Distilled out of twenty years of personal evangelism this book reflects both a deep grasp of biblical theology and a penetrating compassion for people and finds a way forward in wise probing questions How very much like the Master Himself D A Carson Trinity Evangelical Divinity School *Questioning Evangelism* steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day *Ministries Chosen People* Ministries **The Baptist** ,1920 *Transforming Evangelism* Henry H. Knight III, F. Douglas Powe Jr., 2019-02-15 Because of the more aggressive and confrontational tactics we hear about evangelism has developed a bad connotation Doors are shut hurriedly phone calls end abruptly and e mails left unanswered After all isn t this a task better handled by the pastor Perhaps it s time to reexamine John Wesley s model of evangelism as a full natural circle where it s a communal beginning point rather than a solitary end The central motive of authentic evangelism is Having received a message that s made all the difference in our lives we desire to share that message with others in the hope that it will transform their lives as well Wesley models an evangelism that reaches out and welcomes invites and nurtures and speaks to both head and heart Evangelism is about relationship the authors write How we are in relationship to God who is able to transform us into new beings How we are in relationship to our neighbor whom we must love like ourselves As one reviewer says Knight and Powe have given us a

relational book They describe the deep connection between John Wesley s thoughts Charles Wesley s hymns scholarly thinking about evangelism and biblical understandings of the gospel all in relation to the needs concerns and hopes of everyday people Learn on your own or as a congregational group from this practical study on living an evangelistic life that demonstrates the transforming power of loving God and neighbor

Christ Different types of evangelistic methods have been used in past generations However in today s culture of individualism and isolationism relational evangelism provides the best approach to bring people to Christ The truth of the matter is that people normally pay no attention to strangers however they open up once they become comfortable with you through a relationship that has developed over time The clock is fast ticking Christ Jesus is on his way Soldiers of Christ let s get the world saved and be ready for him appearing The Way Of The Master Ray Comfort,2006-04-12 Jesus was not afraid to shake people up He spoke openly of their sinful nature and the righteousness of God He forced people to confront their sin head on and He brought them face to face with their need for salvation because He loved them Who do you know who isn t saved If they died tonight where would they spend eternity Do **Let's Start with Jesus** Dennis F.
