Doliveira Affair:

The D'Oliveira Affair Basil D'Oliveira, 1969 *Broadcasting the End of Apartheid* Martha Evans, 2014-07-15 South Africa came late to television when it finally arrived in the late 1970s the rest of the world had already begun to boycott the country because of apartheid While the ruling National Party feared the integrative effects of television they did not foresee how exclusion from globally unifying broadcasts would gradually erode their power South Africa was barred from participating in some of television's greatest global attractions including sporting events such as the Olympics and contests such as Miss World With the release of Nelson Mandela from prison came a proliferation of large scale live broadcasts as the country was permitted to return to international competition and its readmittance was played out on television screens across the world These events were pivotal in shaping and consolidating the country's emerging post apartheid national identity *Broadcasting the End of Apartheid* assesses the socio political effects of live broadcasting on South Africa's transition to democracy Martha Evans argues that just as print media had a powerful influence on the development of Afrikaner nationalism so the liveness of television helped to consolidate the post apartheid South African national identity **British Sporting Relations with Apartheid South Africa** Matthew P. Llewellyn, Toby C. Rider, 2024-11-25 The transnational anti apartheid sport boycott of South Africa represented the most prominent extended and controversial anti racism campaign in the history of sport Spearheaded by prominent British religious and anti colonial figures and exiled South Africans emboldened by communist and Global South support and legitimised by supranational political bodies such as the United Nations the Organisation of African Unity and the Commonwealth the sport boycott helped propel anti apartheid out of relative obscurity and struck at the very heart of a cultural practice that served an explicitly ideological function in Afrikaner society Britain held a dichotomous even paradoxical role as both prosecutor and defender of white South Africa This book utilises sport as a critical lens for understanding the dynamics and dichotomies of British attitudes towards the apartheid regime Debates over whether to continue or to cut sporting links with apartheid South Africa proved bitterly divisive The considerable weight the subject carried and the degree to which it saturated British political and social discourse for four decades speaks to its impact and importance *British Sporting Relations with Apartheid South Africa* represents the first archival based historical examination of Britain's sporting relations with South Africa throughout the apartheid era 1948-1994 Situating the analysis within the shifting multiracial and multicultural landscapes of postcolonial Britain and within global political cultural sporting and ideological debates the authors trace the origins and evolution of the transnational sport boycott and examine what inspired Britons to energise anti apartheid sport campaigns and in contrast what drove many others to vehemently oppose them at every turn *Cricket and Society in South Africa, 1910-1971* Bruce Murray, Richard Parry, Jonty Winch, 2018-09-01 This book explores how cricket in South Africa was shaped by society and society by cricket It demonstrates the centrality of cricket in the evolving relationship between culture sport and politics starting with South

Africa as the beating heart of the imperial project and ending with the country as an international pariah The contributors explore the tensions between fragmentation and unity on and off the pitch in the context of the racist ideology of empire its arrested development and the reliance of South Africa on a racially based exploitative labour system This edited collection uncovers the hidden history of cricket society and empire in defining a multiplicity of South African identities and recognises the achievements of forgotten players and their impact *Caught Behind* Bruce K. Murray, Christopher Merrett, 2004

Caught Behind chronicles the events and political intrigue that led to South Africa's cricket isolation in the apartheid era and its eventual readmission and throws new light on the role of black cricket and black cricketers in South Africa who until recently were omitted from the country's sporting history **Memoirs of Field-Marshal the Duke de Saldanha** John Smith Athelstane Carnota (Conde da), 1880 *Cricket in Isolation* André Odendaal, 1977 The Politics of South African Cricket Jon Gemmell, 2004 Jon Gemmell analyses the relationship between sport and politics through a historical analysis of South African cricket Financial Mail, 1991-08 **Memoirs of ... the duke de Saldanha** John Athelstane Smith (conde da Carnota.), 1880 *The Way to Lord's*, 1984 London Magazine John Lehmann, Alan Ross, 1969 Official Records, 1969 **Link** Edatata Narayanan, 1969 **Rugby and the South African Nation** David Ross Black, John Nauright, 1998 Examines the historical development of rugby in South Africa and various ideologies that have been and still are attached to it Paying attention to the links between rugby and politics in the 20th century the authors explore how rugby has at different times and places represented imperial connection Afrikaner nationalism Islamic masculinity culture among the educated African elite and for a brief time in 1995 a new pan South African national identification Distributed by St Martin's Press Annotation copyrighted by Book News Inc Portland OR Cricket and Race Jack Williams, 2001-08 Because cricket is often regarded as a symbol of Englishness the role of race in the sport provides penetrating insights into English national identity This book provides an historical overview of the links between cricket race and culture **A History of Cricket** Benny Green, 1988 **Africa Diary**, 1969 **A Century of South Africa in Test & International Cricket**, 1989 A Current Bibliography on African Affairs, 2005
