Army author James Jones's World War II Trilogy stands as one of the most significant achievements in war literature. This compilation includes *From Here to Eternity*, Pearl Harbor 1941. A challenging young private is transferred to a unit where the commander is determined to make his life hell. This edition includes scenes and dialogue censored for the novel's original publication. A true classic, *From Here to Eternity* was made into an Academy Award winning film and a television mini series as well as adapted for the stage. *The Thin Red Line*: The invasion of Guadalcanal ignites a six month battle for two thousand square miles of jungle and sand. But the soldiers of Charlie Company are not of the heroic mold. The unit's captain is too intelligent and sensitive for the job; his first sergeant is half mad and the enlisted men begin the campaign gripped by cowardice. This searing portrait of jungle combat has been adapted twice for feature films. *Whistle*: After a long journey across the Pacific, a ship finally lands on American soil. For the soldiers, loved ones, it's a celebration. But on board, hundreds of men are broken and haunted survivors of the battle to wrest the South Seas from the Japanese Empire. Though on their way to heal in a Tennessee hospital, their road to recovery will take far more than mending physical wounds. This ebook features an illustrated biography of James Jones, including rare photos from the author's estate.
