Dolphin Friendly:

Dolphin Friendly Jessica S. Andersen, 2003 When Cape Cod innkeeper Maddy Jamison takes in a group of marine biologists called Dolphin Friendly she has no idea that they and particularly their handsome leader Brody Davenport will turn her life upside down Ever since the deaths of her marine scientist parents Maddy has hated the ocean that took them away from her just as she has resented the profession that they loved more than their children So how could she guess that she d enjoy sharing her house with a self destructive catfish named Dusty a pair of interns obsessed with Latin names and a bickering couple And how could she predict that she d fall for their leader a man who loves the sea as much as she hates it But as she and Brody grow closer the question remains Will they be able to find a compromise between land and sea or will their love sink beneath the weight of their differences
