Domitian Tragic Tyrant

Pat Southern

Domitian Tragic Tyrant:

Domitian Pat Southern,2013-12-02 This is the first ever study to assess Emperor Domitian from a psychological point of view and covers his entire career from the early years and the civil war AD through the imperial rule to the dark years and the psychology of suspicion Pat Southern strips away hyperbole and sensationalism from the literary record revealing an individual who caused undoubted suffering which must be accounted for

Revolts Against Rome John S McHugh,2025-09-30 Throughout the first century AD the emperors of Rome faced various threats to their rule from ambitious or embittered nobles However events show the Roman legionaries to be tenaciously loyal to the Julio Claudian dynasty The murder of Nero the last of his dynasty unleashed chaos where allegiance was bought by the madness of the leading men The troops increasingly recruited from men who had never seen Italy were often happy to draw their swords in support of a provincial governor against an emperor who was himself a victorious usurper If successful in raising their own candidate to the purple they could expect the gratitude to be tangible and spendable Mutinies were rare and often caused by changes to conditions of service or harsh discipline which demeaned the soldier s status and honour This is the story of the common soldier and their often ruthless and brutal commanders John McHugh examines each of the major cases of armed rebellion or military mutiny during the first century Skilfully intertwined with the narrative of these dramatic and usually bloody events is his analysis of the underlying causes and the varying degrees of success in the face of the Imperial response to these threats

Josephus And Jewish History in Flavian Rome And Beyond Joseph Sievers,Gaia Lembi,2005 This volume focuses on the interplay between Josephus Judean identity and his Roman context After treating historiographical and literary issues it addresses Josephus presentation of Judaism and of historical facts A final section deals with the transmission of his works

Domitian Pat Southern,1997 *Rome's Enemies Within* John S McHugh,2024-10-30 The greatest danger to Roman emperors was the threat of deadly conspiracies arising among the Senate the imperial court or even their own families All the emperors that reigned from Augustus to the end of the first century AD faced such efforts to overthrow or assassinate them John McHugh uncovers these conspiracies narrating them and seeking to explain them The underlying cause in many cases was the decline in influence patronage and status granted by emperors to the Senatorial class leading some to seek power for themselves or a more generous candidate Attempted assassinations or coups led the emperors to mistrust the Senate and rely more on freedmen causing more resentment Paranoid emperors often reacted to the merest hint of treason real or imagined with punishments and executions leading more of those around them to consider desperate measures out of self preservation And of course amid this vicious circle of poisonous mistrust there were ambitious family members promoting their own or their offspring s claims to the purple and the duplicitous Praetorian Guard John McHugh brings to light a century of assassination conspiracy and betrayal exploring the motives and aims of the plotters and the bloody cost of success or failure

Emperor Titus Marc Hyden,2025-05-22 Emperor general and Vespasian s right hand

Titus Flavius Vespasianus better known as simply Titus was remembered by the Romans as a leader to be celebrated and a deity to be worshiped While he was not without fault having committed numerous egregious transgressions his life and achievements are undeniably impressive He survived imperial turnover lived through the great fire of Rome presided over the empire as Vesuvius destroyed numerous cities and plague ravaged his homeland and hosted Rome's vaunted 100 days of games This book draws on the scant historical sources the archaeological record and modern academic commentary to present the most comprehensive available account of Titus' life Long neglected by historians Titus' significant role in Roman history is presented here in the fullest detail Hero or villain there are few pivotal historical figures like Titus who straddled more momentous history and whose effects are still felt today The Prophetic Lawsuit in the Book of Revelation Alan S. Bandy, 2010 Revised and expanded version of the author's dissertation PhD Southeastern Baptist Theological Seminary

Domitian P. Southern, 1999-07-28 This analysis documents Domitian's youth and his reign as well as taking into account the main events and wars in the Empire It covers his entire career from the early years and the civil war of AD 69 through the years of imperial rule to the dark years and the psychology of suspicion leading to Domitian's eventual assassination It reveals how his reputation suffered from the Senatorial decree of *damnatio memoriae* which was passed after his assassination in AD 69 and that the events of the last years overshadowed his earlier achievements some of which were both enduring and well advised **The Bar Kokhba War Reconsidered** Peter Schäfer, 2003 Papers presented at a conference held at Princeton University in Nov 2001 *Rebellion and Reconstruction* Charles L. Murison, 1999 Cassius Dio's Roman History is an important supplement to the Roman writers Tacitus and Suetonius for the period of empire-wide civil war after the death of Nero but for 70-96 and the reigns of Vespasian Titus and Domitian it is the only narrative source This is the first commentary on books 64-67 since 1752 and the first ever in English There are six maps and all quotations in Greek and Latin are translated Early Christian Mission: Jesus and the Twelve Eckhard J. Schnabel, 2004 In a two-volume work Eckhard J. Schnabel offers a comprehensive and definitive examination of the first century of missionary expansion from Jesus to the last of the apostles From publisher's description *Choice*, 1999 Encyclopedia of the Ancient World: Coriolanus, Gnaeus Marcius-Pharsalus, Battle of Thomas J. Sienkewicz, 2002 Covers world cultures from prehistory through the year 700 C E including essays on persons cultures wars battles documents or works traditions or cultural phenomena structures or artifacts places or sites terms and groups or civilizations *Flavius Josephus, Translation and Commentary* Flavius Josephus, 2000 **Tragedies of Tyrants** Rebecca W. Bushnell, 1990 Rebecca W. Bushnell here explores the image of the tyrant in English Renaissance drama in light of the traditional opposition between the proper king and the unstable effeminate and histrionic tyrant found so often in Western political treatises and tracts Bushnell traces the early modern image and language of tyranny through a wide range of texts including morality plays Humanist statecraft literature and resistance tracts as well as canonical tragedies *Forthcoming Books* Rose Arny, 1999 **Current Contents. Arts &**
