Don Juan In The Village:

Don Juan in the Village Jane DeLynn, 1990 Recounts a woman's funny and haunting search for the idealized lover a quest that takes her from the lesbian bars of New York City to the S M scene in Los Angeles **Don Juan in the Village** Jane DeLynn, 1991 The nameless heroine of *Don Juan in the Village* goes to many places from the lesbian bars of New York to the back streets of Fez and the calm ocean depths of a Caribbean island and through many moods the exhilaration of sex the obsession of narcissism and the enforced sobriety of the AIDS years DeLynn has created a memorable character whose identity is more than the sum of the bars she has cruised and the women she has fucked Usurping and enriching a male myth she comes to an acute understanding of what it is to see oneself as an individual *The Philippine Islands Vol.-10* Ed. Emma Helen Robertson, James Alexander Blair, 2023-11-01 *The Philippine Islands* 1493 1898 Volume 10 authored by Emma Helen Blair continues the remarkable historical journey of the Philippines through the colonial era This collection of stories by Emma Helen Blair attempts to compile many of her classic thoughts consolidated in a single draft and offer them at an affordable price so that everyone can read them some stories are interesting and amazing while others softly creep up on you and pull you in As an accomplished historian and other one scholar Blair's dedication to meticulous research and historical accuracy is evident in this volume which covers the years 1597 to 1599 In this Volume ten Blair delves into the complexities of the Spanish colonization during the late 16th century The narrative explores the political social and economic developments that shaped the archipelago during this pivotal period The text provides valuable insights into the challenges faced by the Spanish authorities in maintaining control over the various regions of the Philippines Through the use of primary sources and historical documents Blair presents a comprehensive account of significant events including the exploration of new territories and the interactions with indigenous tribes The volume sheds light on the evolving relationships between the colonizers and the local communities reflecting the intricate dynamics of cultural assimilation and resistance **The Revisionist Stage** Amy S. Green, 1994-09-30 Examines adaptations of classic dramatic works by controversial American directors *Werner's Magazine*, 1898 **Works** Washington Irving, 1885 *Gender and Nation in the Spanish Modernist Novel* Roberta Johnson, 2003 Offering a fresh revisionist analysis of Spanish fiction from 1900 to 1940 this study examines the work of both men and women writers and how they practiced differing forms of modernism As Roberta Johnson notes Spanish male novelists emphasized technical and verbal innovation in representing the contents of an individual consciousness and thus were more modernist in the usual understanding of the term Female writers on the other hand were less aesthetically innovative but engaged in a social modernism that focused on domestic issues gender roles and relations between the sexes Compared to the more conventional even reactionary ways their male counterparts treated such matters Spanish women's fiction in the first half of the twentieth century was often revolutionary The book begins by tracing the history of public discourse on gender from the 1890s through the 1930s a discourse that included the rise of feminism

Each chapter then analyzes works by female and male novelists that address key issues related to gender and nationalism the concept of intrahistoria or an essential Spanish soul modernist uses of figures from the Spanish literary tradition notably Don Quixote and Don Juan biological theories of gender prevalent in the 1920s and 1930s and the growth of an organized feminist movement that coincided with the burgeoning Republican movement This is the first book dealing with this period of Spanish literature to consider women novelists such as Maria Martinez Sierra Carmen de Burgos and Concha Espina alongside canonical male novelists including Miguel de Unamuno Ramon del Valle Inclan and Pio Baroja With its contrasting conceptions of modernism Johnson s work provides a compelling new model for bridging the gender divide in the study of Spanish fiction

Werner's Voice Magazine Edgar S. Werner,1898 *The Philippine Islands, 1493-1803* Emma Helen Blair,James Alexander Robertson,1904 Cartoons Magazine ,1921 **The Politics of Memory** Joanne Rappaport,1990-06-29 Reconsidering the predominantly mythic status of non Western historical narrative Rappaport identifies the political realities that influenced the form and content of Andean history revealing the distinct historical vision of these stories Because of her examination of the influences of literacy in the creation of history Rappaport s analysis makes a special contribution to Latin American and Andean studies solidly grounding subaltern texts in their sociopolitical contexts
