Fight for History Tim Cook, 2020-09-08 NATIONAL BESTSELLER FINALIST FOR THE OTTAWA BOOK AWARDS A masterful telling of the way World War Two has been remembered forgotten and remade by Canada over seventy five years The Second World War shaped modern Canada It led to the country s emergence as a middle power on the world stage the rise of the welfare state industrialization urbanization and population growth After the war Canada increasingly turned toward the United States in matters of trade security and popular culture which then sparked a desire to strengthen Canadian nationalism from the threat of American hegemony The Fight for History examines how Canadians framed and reframed the war experience over time Just as the importance of the battle of Vimy Ridge to Canadians rose fell and rose again over a 100 year period the meaning of Canada s Second World War followed a similar pattern But the Second World War s relevance to Canada led to conflict between veterans and others in society more so than in the previous war as well as a more rapid diminishment of its significance By the end of the 20th century Canada s experiences in the war were largely framed as a series of disasters Canadians seemed to want to talk only of the defeats at Hong Kong and Dieppe or the racially driven policy of the forced relocation of Japanese Canadians In the history books and media there was little discussion of Canada s crucial role in the Battle of the Atlantic the success of its armies in Italy and other parts of Europe or the massive contribution of war materials made on the home front No other victorious nation underwent this bizarre reframing of the war remaking victories into defeats The Fight for History is about the efforts to restore a more balanced portrait of Canada s

contribution in the global conflict This is the story of how Canada has talked about the war in the past how we tried to bury it and how it was restored This is the history of a constellation of changing ideas with many historical twists and turns and a series of fascinating actors and events **The SAGE International Encyclopedia of Mass Media and Society** Debra L. Merskin, 2019-11-12 The reference will discuss mass media around the world in their varied forms newspapers magazines radio television film books music websites and social media and will describe the role of each in both mirroring and shaping society *Encyclopedia of Television* Horace Newcomb, 2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the Encyclo pedia of Television 2nd edition website Guide to the Cinema(s) of Canada Peter Rist, 2001-07-30 This new volume in the Greenwood Press series Reference Guides to the World s Cinema discusses the films and personalities of the Canadian cinema This guide encompasses the diverse output of both the English and French Canadian communities and includes 175 films and 125 filmmakers and actors Alphabetically arranged entries discuss important films actors directors shorts and a number of experimental films With few exceptions films are included only if their production company was incorporated in Canada Similarly filmmakers and actors represent people who have worked primarily in Canada This guide will interest scholars students and film buffs Brief bibliographies after each entry provide sources for further reading Three appendixes provide additional information regarding Canadian born filmmakers and actors excluded from the main text winners of Canadian film awards and a listing of the top ten Canadian films **Encyclopedia of the Documentary Film** Ian Aitken, 2006 This encyclopedia examines individual films and the careers of individual film makers it also provides overview articles of national and regional documentary film history It explains concepts and themes in the study of documentary film the techniques used in making films and the institutions that support their production **Working on Screen** Malek Khouri, Darrell Varga, 2006-10-07 Working on Screen thus expands the scholarly debates on the concept of national cinema and builds on the rich formative efforts of Canadian cultural criticism that held dear the need for cultural autonomy **Film Culture** , 1992
