

# DONIZETTI

IN THE LIGHT OF ROMANTICISM AND  
THE TEACHING OF JOHANN SIMON MAYR

*John Stewart Allitt*

# Donizetti In The Light Of Romanticism And The Teaching Of John Simon Mayr

**James P. Cassaro**

## **Donizetti In The Light Of Romanticism And The Teaching Of John Simon Mayr:**

**Donizetti** John Allitt,1991 Multi dimensional portrait of the long neglected nineteenth century composer Contains a substantial annotated list of his compositions     A History of Opera Burton D. Fisher,2005 A comprehensive history of opera that traces each milestone in opera history from the 16th century Camerata through the next 400 years and featured in depth analysis of all important genres the Baroque Classical and Romantic eras Bel Canto Opera Buffa German Romanticism Wagner and music drama Verismo Impressionism Expressionism Serialism and much more     Gaetano Donizetti James P. Cassaro,2009-07-15 Gaetano Donizetti A Research and Information Guide offers an annotated reference guide to the life and works of this important Italian opera composer The book opens with a complete chronology of Donizetti s life 1797 1848 and career relating it to contemporary events The balance of the book details secondary resources and other works including general sources catalogs correspondence biographical sources critical works production review sources singers and theaters and the individual operas     **Giacomo Meyerbeer** Marco Clemente Pellegrini,2008-10-01 This Guide has resulted from years of research on the papers and music of Giacomo Meyerbeer and aims to provide a bibliographical aid and point of reference for further research The first part presents the private papers connected to the composer and his principal librettist Eug ne Scribe both archival and printed with working papers and correspondence as found in Berlin Paris and some of the famous libraries of the world The body of Part 2 draws together all the known resources on Meyerbeer s life and historical reputation from full scale biographies and entries in reference books through critical discussions to website resources to records of symposia The third part provides material about his background with its unique mixture of Jewish and Prussian elements the powerful role of the city of Berlin in his life and work The fourth part lists bibliographic material for Meyerbeer s music looking at his operas grouped as German Italian and French with each individual entry providing a record of the scores available both modern and historical the various arrangements made from the operas during the heyday of their popularity reviews of modern performances discography and bibliography of studies and publications pertinent to the wider cultural and historical contexts of the works The next two sections constitute an extended record of material pertinent to the contemporaries of Meyerbeer In the fifth section are select bibliographies of composers authors artists performers politicians those who played some part in the composer s life or anyone of significance in his wider contemporary circumstances This is continued in the sixth part where the cultural and aesthetic elements of the composer s milieu or life in the theatre during seventy years of the nineteenth century are listed The seventh part adds a bibliography of social and historical background where the incidental issues of Judaism in nineteenth century Europe and the wider political historical and geographical circumstances of Meyerbeer s life his relentless travelling and closely recorded experiences in Germany France Italy Belgium England and Austria The eighth section provides a thematic key to this extensive material Part 9 provides an extended tripartite series of lists of the published scores arrangements and some special studies of Meyerbeer over the period 1820 to

2005 in alphabetical chronological and thematic ordering The last two sections furnish the modern equivalent of this record of Meyerbeer and his compositions showing in Part 11 the list of performances of his operas since the Second World War and in Part 12 listing the recordings of the operas both commercial and private for the same period The thirteenth and last section is iconographical pictures that represent an interesting survey of the popular response to Meyerbeer in the 19th century

**Afterlife of Mary, Queen of Scots** Steven J. Reid, 2024-04-30 Mary Queen of Scots 1542-1587 was active as monarch of Scotland for just six years between 1561 and 1567 but her impact as a ruler in Scotland is much less important than her subsequent role in popular culture and imagination Her story has enjoyed perpetual retelling and reached a global audience over the past four and a half centuries This collection surveys the exceptionally varied range of objects literature art and media that have been produced to commemorate Mary between her own time and the present day Why is her story so enduring pervasive and of such interest to so many different audiences How have the narratives associated with these objects evolved in response to shifting cultural attitudes The collection offers a much needed novel perspective on the Queen of Scots using an approach at the intersection of early modern gender and cultural history museum and heritage studies and memory studies

Historical Dictionary of Opera Scott L. Balthazar, 2013-07-05 Opera has been around ever since the late 16th century and it is still going strong in the sense that operas are performed around the world at present and known by infinitely more persons than just those who attend performances On the other hand it has enjoyed periods in the past when more operas were produced to greater acclaim Those periods inevitably have pride of place in this Historical Dictionary of Opera as do exceptional singers and others who combine to fashion the opera whether or not they appear on stage But this volume looks even further afield considering the cities which were and still are opera centers literary works which were turned into librettos and types of pieces and genres While some of the former can be found on the web or in other sources most of the latter cannot and it is impossible to have the whole picture without them Indeed this book has an amazingly broad scope The dictionary section with about 340 entries covers the topics mentioned above but obviously focuses most on composers not just the likes of Mozart Verdi and Wagner but others who are scarcely remembered but made notable contributions Of course there are the divas but others singers as well and some of the most familiar operas Don Giovanni Tosca and more Technical terms also abound and reference to different genres from antimasque to zarzuela Since opera has been around so long the chronology is rather lengthy since it has a lot of ground to cover and the introduction sets the scene for the rest This book should not be an end but rather a beginning so it has a substantial bibliography for readers seeking more specific or specialized works It is an excellent access point for readers interested in opera

**Whitaker's Book List**, 1991

*Reader's Guide to Music* Murray Steib, 2013-12-02 The Reader's Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 3-20 titles and an essay in which these titles are evaluated by an expert in the field in light of the

history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology *The Diaries of Giacomo Meyerbeer: The last years, 1857-1864* Giacomo Meyerbeer,1999 Donizetti and the Tradition of Romantic Love John Allitt,1975

**The Last Years 1857-1864** Giacomo Meyerbeer,1999 **The Viking Opera Guide** Amanda Holden,Nicholas Kenyon,Stephen Walsh,1993 The book which was published early this year and is available unbundled from the CD ROM for 69 95 contains information on more than 800 composers and examines some 1 500 operas in detail Each composer s musical career is outlined with an assessment of his or her overall contribution to opera Opera entries include cast lists and orchestral forces a commentary on the background of the work a synopsis of the plot and a musical analysis identifying musical highlights and points of interest Recording and edition information is included For those who don t like to turn pages prefer to read from the screen or just like the click click of the mouse the CD ROM provides computer access via Windows to the information and pictures small black and whites of the book The CD ROM holds some enhancements notably three hours of music excerpts unheard by this reviewer who lacks the needed 16 bit sound card some according to the press release are as long as three to five minutes Annotation copyright by Book News Inc Portland OR **Opera** George Henry Hubert Lascelles Earl of Harewood,1992 *An Opera Bibliography* ,1995 Bibliographic Guide to Music New York Public Library. Music Division,1992 **Johann Simon Mayr und Venedig** Franz Hauk,Iris Winkler,1999 **Gaetano Donizetti** John Allitt,2003 *Whitaker's Books in Print* ,1998 *Di Giovanni Simone Mayr* Girolamo Calvi,2000 Forthcoming Books Rose Arny,1992
