**The Stinky Wonky Donkey (A Wonky Donkey Book)** Craig Smith, 2023-10-03 From the internationally bestselling creators of The Wonky Donkey comes a brand new hysterical rhyming tale about finding your best friends with an explosive twist Get ready to hee and haw as Wonky Donkey asks his daughter Dinky Which animal do you like best The hilarity is nonstop in this rhyming romp Dinky's friends list includes reindeer horses camels antelopes and zebras Wonky grins and tells her They all have hooves You're hoof hearted Dinky discovers that Granny and Mommy are hoof hearted too Then Wonky tells her to pull his hoof And POOF Kids young and old will laugh out loud at Wonky's who farted joke With tons of hees and haws Craig Smith and Katz Cowley have created yet another sweet and laugh out loud story that is destined to be the next Wonky Donkey bestseller

**The Donkey in Human History** Peter Mitchell, 2018-02-09 Donkeys carried Christ into Jerusalem while in Greek myth they transported

Hephaistos up to Mount Olympos and Dionysos into battle against the Giants They were probably the first animals that people ever rode as well as the first used on a large scale as beasts of burden Associated with kingship and the gods in the ancient Near East they have been and in many places still are a core technology for moving people and goods over both short and long distances as well as a supplier of muscle power for threshing and grinding grain pressing olives raising water ploughing fields and pulling carts to name just a few of the uses to which they have been put Yet despite this they remain one of the least studied and most widely ignored of all domestic animals consigned to the margins of history like so many of those who still depend upon them Spanning the globe and extending from the donkey s initial domestication up to the present this book seeks to remedy this situation by using archaeological evidence in combination with insights from history and anthropology to resituate the donkey and its hybrid offspring such as the mule in the unfolding of human history looking not just at what donkeys and mules did but also at how people have thought about and understood them Intended in part for university researchers and students working in the broad fields of world history archaeology animal history and anthropology but it should also interest anyone keen to learn more about one of the most widespread and important of the animals that people have domesticated
