Dont Be Scared Eleven:

Daddy Cool Darleen Bungey,2020-05-19 Every family has secrets Ours also has an award winning biographer My sister s discoveries astonished me Geraldine Brooks Who can ever truly know their parents He was a glamorous heart throb a famous American singer performing in front of Bette Davis Katharine Hepburn Clark Gable and other stars at the Academy Awards In the 1930s his recording of Hawaiian Paradise outsold those of Bing Crosby and Guy Lombardo So how did he become an Australian infantryman fighting alongside and performing for his fellow Diggers in Palestine Beirut Egypt and New Guinea Why did he leave Hollywood and the ritziest hotels in America for a modest Californian bungalow in suburban Sydney And what caused him to cease his endless drifting from one woman to another one marriage to another and settle with the love of his life She was a strong Aussie woman a talented radio broadcaster and publicity agent Why did she take a chance on this reckless vagabond and notorious womaniser Seeking answers Darleen Bungey turns her biographical skills on her own family exploring her father s multi layered and at times tempestuous life with a truthful eye and loving heart This memoir does maximum honour to the idea that each family is its own unique story And in the case of Darleen Bungey the tale she tells of Robert Cutter Lawrence Brooks her father is a charming and engrossing record of an exuberant gifted contradictory and brave man whose nationality was as varied as his gifts and who kept his daughters enriched and fascinated to the end In an era of catastrophic family confessions it reads like silk Tom Keneally This is something beautiful Bungey s writing is as spellbinding and wondrous as the subject she has so bravely forensically gracefully explored Further evidence that the most interesting people in our worlds were always waiting outside our bedroom doors Trent Dalton A daughter s tender tribute uncovers her father s past life of Hollywood glamour and scandal reminding us that our parents had other lives loves and secrets before we came along Caroline Baum A family story beautifully told of an American singer who turned his back on fame to live the life he needed in the suburbs of Australia Daddy Cool is unexpected sweet and raw David Marr **Don't Be Afraid Son.** Billy Guajardo,2023-06-05 Don t Be Afraid Son Gunfighter s Graveyard If you like an Old Western Horror Gunfighter Novel with over 100 000 words Then this book would be a good find It came in a four book series based on four different town scenarios Different lawmen and evil gunmen will find one another in a gunfight to the death Each will wake from a coma dark deep sleep or be sent back by the devil that made him raise his gun in the first place against good A graveyard on the hill in town wakes After a storm hit the town that same night One grave began to wake with a hand blanketed in mud One hand then the other grabbed the wet mud earth or a branch on a tree in the ground He crawled to his feet in old cowboy muddy boots A tall dark man stood in the drizzling rain and his head tilted back His stare on the night stars in the skies The mud dirt and decaying tissue fell from his face and hands One other began to rise from the same graveyard behind him He stared at the same night sky as if something spoke to him from a place in between heaven and earth One of them opened his arms Each palm lifted and opened high in the dark He opened his mouth to wash death still

lingering on his tongue and lips One other gunfighter crawled to his feet through the drizzling rain Each gunfighter took a deep breath for the first time since he died huuu Three men in dark cowboy boots and clothes take that first breath that opens his eyes in a bulge Three Gunfighters Leave the cemetery behind the first gunfighter that left the wet Earth The first gunfighter growls in the direction of the Town toward the bottom of the Hill I will be there soon Townspeople As a faint heartbeat begins His chest began to pulsate with heartbeats slowly His heartbeat told the other men that their hearts would also be beating Each footstep s heel on his boot kicked at the ground One gunfighter behind the other pretends to tiptoe into town as the drizzling rain covers them like a blanket Each gunfighter covers his head with a hat and long coat to keep the water from splashing against his chest Each man wore a black hat a long shin length coat and cowboy boots Beneath he wore a blue jean shirt and pants Some are darker than others The third cowboy with long chocolate brown shoulder length hair stares forward in a baby blue dead eyed stare One behind the other they vanish in a cloud of drizzling rain Behind them on the other half of the cemetery One other had risen through the wet mud earth He also crawled to his feet in a pair of black cowboy boots A Shiny Gun Badge and a Winchester lay on the wet mud A man in a Marshall s Badge in Dark Brown Leather lifts it off the wet ground One other man with a Badge followed the Marshall One after him also crawled to his feet They begin to leave the cemetery like the other men before them They reach the road that leads into town The rain cleansed Each in a Badge on the way into the town Each with a hat Winchester at his side and a shiny gun The sound of a Stagecoach made them listen and look A Stagecoach hidden in the drizzling rain made them stare into the falling rain The sound of a hyena laughing inside made Law Men Reach for his Rifle The sound of wicked men rose from a stagecoach as it drew closer I m coming to town Marshall I ll be waiting Gunfighter I will bring a few friends I will too Will see which one of us will reach the Gunfighter s Graveyard I will be waiting like I do every 58 years of lawman Come out and play Marshall sheriff and do not forget to bring your deputies We will be waiting Did I shoot the sheriff haha Of course I did It was me The stagecoach hidden in the falling rain roared by as a sound of a hyena laughing left them in awe It continued to roar toward the town in the falling rain and vanishes

Walsh, 1992-03-30 The number of homeless families in the United States continues to increase at an alarming rate There is little doubt that becoming homeless and living in shelters has had significant effects on the lives of the children in these families While many empirical studies have documented the effects of homelessness on one or another aspect of children's lives Moving To Nowhere looks at the experience of losing one's home and living in a shelter from the perspective of the child Children who are homeless tell their own story They speak of life in a shelter as they have known it It is through these stories that human service professionals can come to see homelessness as the children themselves see it and can learn what living in a shelter is like Children who are homeless tell their own story They describe how they became homeless why they think it happened to their family what their expectations and concerns were as they realized they would be moving to a shelter and what the shelter was like when they arrived They speak often of missing their old neighborhoods their friends and their extended family They report their fears their worries about their family's future the absence of money and resources and for some the presence of violence or substance abuse in their families They repeatedly tell of their embarrassment about being homeless this profoundly colors their relationships to friends schoolmates and teachers And in each of their stories these children provide clear and moving examples of how they manage to survive on a day to day basis while they wait for permanent housing Health care professionals psychologists and teachers as well as students and the general public will find this work poignant and instructive *California.
